

Elk Creek Combined Driving Event & Combined Test

January 2021

After fifteen years of competition, Elk Creek CDE like a multitude of other equestrian competitions and events of any kind in 2020 was forced to cancel all plans and sit out the year due to the Covid-10 pandemic. We desperately hope the world will be in a better place by June 2021 and we are making plans to bring back Elk Creek CDE with an additional day of competition in the form of a Driving Combined Test. The face of our country is very different with everyone wearing masks and social distancing but the fact is, we still rely on the generous help from our wonderful driving community - people like you in order to make it possible to offer our event!

The **16th** year of Elk Creek's '**keep it simple**' competition scheduled for Saturday, June 5th & Sunday, June 6th will again host Training, Preliminary, Intermediate and Intermediate 11 (now termed Hybrid) classes as well as the new Combined Test on Friday, June 4th.

We don't know what the layout will look like as we prepare to follow Maryland State & CDC Guidelines that may be in place as we approach June. We don't know if we will be permitted to invite spectators but we do know we will more than ever need the support of the driving community with financial contributions as well as volunteers.

As we are sure you know, the entry fees cover only a portion of our costs. As our expenses continue to increase we can not stress enough the need for your help, regardless of how small. All contributions are greatly appreciated. Enclosed is a list of sponsorship opportunities. Please mail in your donation with the attached form.

We know there are many demands on your pocketbook and your time. We greatly appreciate your support, whether it be financial or as a competitor, a volunteer, or spectator.

Sincerely,

The 2021 Elk Creek Organizing Committee
