2020 represents the **16th** year of Elk Creek's '*keep it simple*' competition scheduled for June 6th & 7th hosting Training, Preliminary, Intermediate and Intermediate II divisions.

We will again be using Fair Hills' permanent stabling with access to water, better camping sites with electric hookups, toilet and showers facilities and a convenient location for our competitor's tent and secretary's office.

As we are sure you know, the entry fees cover only a portion of our costs. Elk Creek can only survive and remain an ongoing event on the driving calendar with the generous support of our sponsors. As our expenses continue to increase we can not stress enough the need for your help, regardless of how small. All contributions are greatly appreciated. We hope you will contribute whatever you can. Enclosed is a list of sponsorship opportunities. Please mail in your donation with the attached form.

We know there are many demands on your pocketbook and your time. We greatly appreciate your support, whether it be financial or as a competitor, a volunteer, or spectator.

Sincerely,

The 2020 Elk Creek Organizing Committee
