

Friday, June 5

A "**States Night**" event will be held for competitors in the main tent after the Friday briefing. This will be a tasty opportunity to share cuisine from the state where each competitor is from (either human or equine).

Competitors are asked to bring any food or drink that is unique or well-known from their home state to share. This is not a dinner, so appetizers, beverages and light fare are appropriate. Be sure to bring your own chairs. All paper goods/utensils and beverages will be supplied.

Thank you to our sponsor: Trout Walk Farm!

Be brave and extraordinary in the presentation!
