CLEANING NEEDS!**

BritePlus

Aluminum Cleaner

**Cleans Tough
Stains &
Dirty Aluminum**

- ✓ Clean stained, dirty, pitted or yellowing bare aluminum & painted trailers
- ✓ Unpolished aluminum rims & tanks
- ✓ Do NOT use on polished aluminum
- ✓ User-Friendly & Biodegradable
- ✓ Available Ready-To-Use & Concentrate
- ✓ Ask about how you can foam it on with our Wall Mounted Foam Applicator

Fast, Easy, & Effective!

- 1) **WASH** with high-pressure washer.
- 2) **APPLY** Aluminum cleaner from bottom to top*
 - Test small area first
 - Agitate w/ soft-bristled brush, if necessary
 - Do NOT allow to dry on surface
- 3) **RINSE** with water (power washer recommended)

Apply with a standard hand sprayer, bucket and brush, or our **Power of Foam Wall Mounted foamer!**

One Ready-to-Use 2.5 gallon container will clean, on average, a 20-foot trailer **TWICE!**
