

Online Piano Lessons

KaiSchoolOfMusic@gmail.com

K A I A L E X A N D E R SCHOOL OF MUSIC

I'm proud to have developed a curriculum that embraces playing the piano by ear using recorded music and popular songs. This way, harmony & theory can be taught at an accelerated pace, giving the student the freedom to just play as they move into further study. I ask the students to name their favorite songs, so that the learning process is fun.

In partner with Daurden Performing Arts Conservatory!

Classes are fun & easy!
