

Speech & Drama Camp (years 4- 8)

Introduction to the Course

Speech and Drama is an empowering and fun way for young ones to become confident speakers through verbal and non-verbal communication while applying their knowledge of English grammar and vocabulary. It is inadequate to master perfect written vocabulary and grammar yet be unable to engage and communicate with others face to face. Speech and Drama takes the English language to the next level by bringing words to life with emotion, action, confidence and drama.

During this programme, your children will learn how to use speaking techniques and body language to become engaging and confident communicators.
