## THE JULIUS OF THE PROJECT

A PLACE FOR US

## CAHERSIVEEN: A NEW PHASE

Known as "The Voice of A Place for Us", this phase will include students coming from European nations who are attending Asana International School during Summer 2024.

Their crucial role consists of carrying out research on the issues young people find relevant.

## A NEW LOCATION

Garfagnana is a little town situated near Lucca in Tuscany (Italy). The project is being carried out here from 2025 and its focus is on youth engagement in the regeneration of chestnut forests.
