CAUTION: KEEP OUT OF REACH OF CHILDREN

WARNING: DO NOT TAKE INTERNALLY. HARMFUL IF SWALLOWED.

Avoid contact with skin, eyes, and clothing. In case of contact, immediately flush eyes or skin with water for 15 minutes.

General Information

MATRIX Fulvic Acid 20% contains Fulvic Acid extracted from Leonardite. It can be applied as soil and/or foliar applications for all crops. **MATRIX Fulvic Acid 20%** can be applied to all crops. **MATRIX Fulvic Acid 20%** can be mixed with liquid plant food or impregnated on dry fertilizer.

COMPATIBILITY: MATRIX Fulvic Acid 20% is compatible with most pesticides and fertilizers. However, if the desired combination has not been previously used, a compatibility test is recommended. Spray mixtures with selective and pre-emergent herbicides are not recommended.

Directions for Use / Recommended Rates

For fertilizer application rates suitable for your geographical area or the maximum allowable application rate per acre, consult a certified drop advisor or a trained agronomist. For specific crop recommendations in your area, consult your state's recommendations.

Liquid Fertilizer application: apply 2-12 ounces per acre in liquid fertilizer starter or pop up just before or at planting time. Do a jar test for compatibility.

Dry Fertilizer application: Apply 2-12 ounces per acre impregnated onto dry fertilizer.

Foliar Application: For foliar application this product may be used at the rate of 2-12 ounces per acre per application with a sufficient amount of water to insure good coverage. Apply a minimum of 2 ounces in foliar applications. To insure even distribution on the leaf surfaces and increase the effectiveness of foliar application, a small amount of wetting agent or surfactant may be added. Spray to thoroughly cover foliage. Rates and timing of applications are dependent on local conditions and practices.

Matrix Fulvic Acid 20% is manufactured to rigid controls at the highest possible concentration for effective usage. Any residue in this container is water soluble. Rinse the container with water and add solution to spray tank.

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to seller and buyer assumes the risk of any such use.

CONDITIONS OF SALE: 1. Seller warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. No one, other than an officer of Seller, is authorized to make any warranty, guarantee of direction concerning this product. 2. Because of time, place, rate of application and other conditions of use are beyond seller's control, Seller's liability from handling, storage and use of this product is limited to replacement of product or refund of purchase.
