“I like Scottish people because they feel very true. They’re always level & straight. They get a reputation for being hardened because of it, but I find them to be scrupulously honest people”

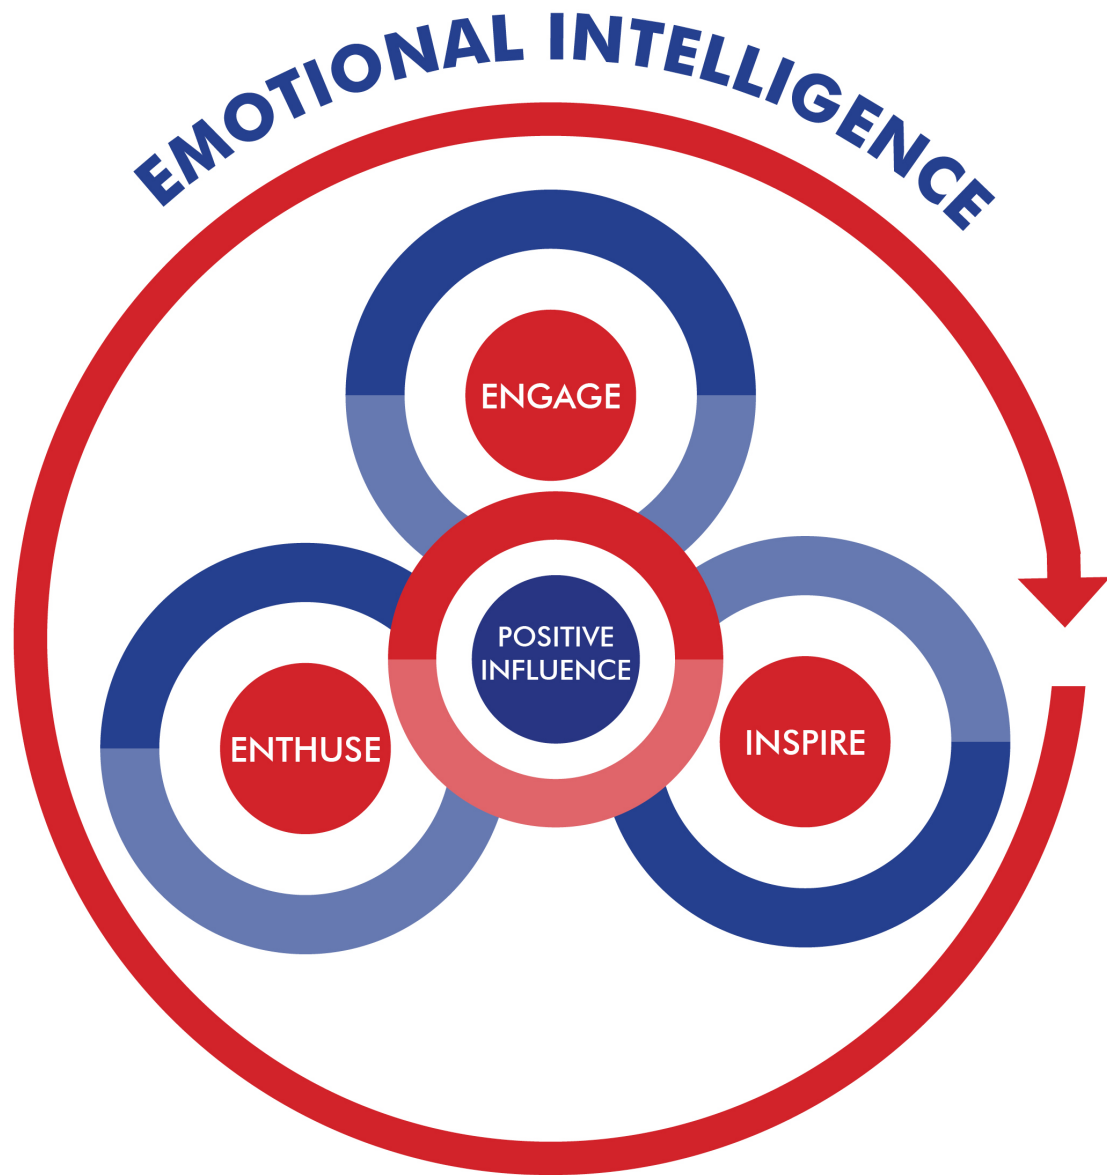

Rupert Friend

Your Company Culture is NOT....

A group of hands of various skin tones are shown holding a large, glowing red heart in the center. The hands are arranged in a circle, with some fingers pointing towards the heart. The background is a soft, out-of-focus grey.

*Your culture is the unique ideas,
customs & social behaviours of a
particular people*
