FEBRUARY NEWSLETTER 2025

Our Learning Theme

What Are Friends Are For?

Week 1 Feb 3-6 Friendship

Week 2 Be My Valentine's

Week 3 President's Week

Week 4 Community Helpers

Children develop friendship skills through activities such as playing with peers, sharing, taking turns, cooperating, and actively listening during class. On the playground, we nurture these skills by encouraging group play, closely observing interactions, and supporting individuals play when preferred. Emphasis on building and enhancing friendship skills remain a priority throughout the school year.

On behalf of Angels Academy, we extend our heartfelt gratitude to **the Maya Flaksman Family** for their generous donation of the climbing Structure. Thank you from bottom of our hearts!
