This month will embark on journey through a winter wonderland, exploring themes like snow, ice, hibernating animals, and more. While learning about animals is always exciting to discovering how they survive during the cold winter months is even more fascinating.

Our classroom activities will help explore and understand hibernation, answering question like “why do some animals sleep in caves during winter?” We invite you to join us for any of these engaging activities.

We warmly welcome back all our returning friends and extend a heartfelt greeting to our new ones! We hope everyone enjoyed a joyful and relaxing Christmas. As we dive in into the remainder of the school year, we have an exciting lineup of fantastic projects and activities planned.

A special thank you to all the parents who showered us with thoughtful and generous gifts, bringing extra sparkle to our holidays. We are truly grateful from the bottom of our hearts!

Cheers to 2025 – A New Year filled with hope, love, and determination!

Sincerely,

Ms. Jackie and Staff
