STAINLESS STEEL COLLAR PLATES AND ID TAGS

Our famous die-formed stainless steel collar plates are by far the most superior collar plates available. Much stronger than brass and does not corrode like brass. Stainless steel die-formed SlipCheck plates do not bend, break or hang on wire fences because the edges are turned down and lie tight against the collar material. They virtually last forever and can be transferred from collar to collar. Deeply stamped, permanent letters and numbers identify your valuable dogs. These nameplates for use on leather collars, DayGlo® collars, Permalon collars, training collars, etc. Not for use on chain collars.

9NP Die-formed stainless steel nameplate, 5/8" x 2 1/2" (includes rivets)..... \$3.50

Stainless steel identification tags are made of heavy stainless steel discs, stamped and polished; then fitted with a heavy s-hook. These are the finest tags available. Good for any type of collar – chain, leather, DayGlo®, Permalon, training collars, etc.

1RT Stainless steel round collar tag with s-hook..... \$3.50

LEATHER COLLARS

These leather collars are made of heavy oil-treated, moisture-resistant, harness leather in the popular ring-in-center safety collar style. The ring will let the collar roll and release a dog that is snagged by the collar. Excellent choice for those who prefer leather. All collars include our famous die-formed stainless steel nameplate, the best plate available. Specify item number, length and nameplate information.

BTS-1 Leather collar, 1" wide x 19", 21" or 23" length..... \$12.25

BTS-3/4 Leather collar, 3/4" wide x 16", 18" or 20" length \$11.75

Our premium rolled leather collars are rounded by hand and expertly finished. All collars include our famous die-formed stainless steel nameplate, the best plate available. Specify item number, length and nameplate information.

DAYGLO COLLARS

These DayGlo® collars are made of bright orange, rubber-coated nylon in the popular ring-in-center safety collar style. They show up very well at night when exposed to light and are outstanding in the field. Tough and stronger than most leather collars of this type, DayGlo® collars are waterproof, odor resistant and hypo-allergenic. All collars include our famous die-formed stainless steel nameplate, the best plate available. Specify item number, length and nameplate information.

CUSTOM AWARDS FOR EVENTS

Hosting an upcoming dog show, hunt or field trial? We can stamp your event information on our famous die-formed stainless steel nameplates and attach them to our finest leather leads. These "functional trophies" are a big hit with event winners. Call (888) 757-2425 for more information.

Our club has given your Superior Leads to the winners of our spring and fall field trials for over 10 years. Everybody loves them! The French snaps are easy to release quickly, and the stainless steel nameplates stamped with the event information make a great trophy.

In any sport, serious sportsmen want the best gear. We think SlipCheck products are just that....the best!
