- Load Capacity: 1,200 lbs. (when used with table)
- Dimensions: 36-1/4" L x 28" W (Ext. Frame) or 25" W (Int. Frame)
- Height: Adjustable to 38", 40" or 42" (w/casters)
- Weight: 63 lbs. (w/casters)

Stackable to Just 5" High When Lying Flat

**Short of Space? This Modular Table and Extensions
Break Down for Easy Storage When Not in Use!**

Moveable Support Bars

**Easily Set Up Your Table to Suit ANY Needed Opening AND
Open Bottom Design Makes Working Underneath Simple!**

Easy Assembly Videos On Our Website

One Whale of a Table and One Whale's Tail Modular Component shown below:

Lengthen the Whale of a Table with a
Whale's Tail to create additional 3' of work space
(Table may be lengthened w/Several Extensions, if needed)

Need an L-Shaped work space?
(U-Shapes may also be created with Two
Whale's Tails)

Photos depict just a couple of the countless configuration options

Component parts are

INTERCHANGEABLE and REPLACEABLE!

(Using Only Gulf Wave Component Parts)
