ENROLMENT TERMS & STUDIO INFORMATION

Enrolment, payment and renewal

Applications are subject to class availability. Da Vinci Art Studio will confirm a place and provide payment instructions. Full payment is required before lessons commence unless an alternative arrangement is approved in writing. Enrolment is for the nominated term. Continuing students may be offered renewal, subject to availability and payment by the notified due date; unconfirmed places may be offered to others.

Payment options: in person or EFT. Account name: Lepota Art and Design | BSB: 012-827 | Account: 4811 71555. Reference: student name and class day. Please forward a payment receipt by text or email. Please verify these bank details with the studio before making your first transfer.

Attendance, absences and refunds

Please notify the studio by text or email if you cannot attend. Students may request an alternative class within the same week, subject to availability and suitability of the lesson. Make-up classes are not guaranteed and cannot be carried forward to another term. Because lessons progress through different stages, missed content may not always be repeated. If planning extended travel, please discuss enrolment timing before booking.

Term fees reserve a place in the selected class. Refunds are not generally offered for change of mind or missed lessons, but nothing in these terms limits rights available under Australian Consumer Law. Contact the studio to discuss exceptional circumstances or any concerns about the service.

Arrival, collection and studio conduct

Please arrive approximately five minutes before class; if the studio is not open, wait in the foyer. Children must be checked in and collected with a staff member by a parent/guardian or an authorised person, unless a different arrangement has been agreed with staff. Parents/guardians must remain contactable during class.

Wear old clothing or a paint shirt and covered or semi-covered shoes; please avoid school uniforms. No food or toys in class; drinking water is provided. Please encourage children to use the bathroom before class. Students work at their own pace and some projects may span multiple lessons.

Health, safety and privacy

Please do not attend when unwell, and inform the studio of relevant health or support needs. Student contact, emergency and health information is collected to manage enrolment, safety and reasonable learning support, and should be shared only with authorised staff who need it for these purposes. Contact the studio to request access to or correction of your details. In an emergency, staff will seek appropriate assistance and attempt to contact the parent/guardian or emergency contact promptly.

Our teaching approach

Classes are guided by experienced practising artists, and staff working with children hold the required Working With Children Checks. Our structured fine-art programs introduce drawing, painting, composition and a range of media while encouraging personal expression, technical development and independent thinking. Students are supported to build confidence and artistic skills at their own pace.
