

Daycare and Boarding General Information and Policies

The OK Canine Corral Dog Daycare and Resort provides a safe, fun, and stimulating social environment for dogs. To ensure the safety and health of your dog(s), we require all guests to comply with the following rules and regulations. Safety is our PRIORITY.

APPLICATION & WAIVER:

All guests must submit a complete this form as well as an Owner Liability Agreement and an Enrollment Application PRIOR TO YOUR STAY WITH US. These forms are included in this document.

AGE:

Puppies accepted at 10 weeks of age if current on DHPP (Distemper/Parvo) & Bordetella (Kennel Cough) vaccinations. Rabies vaccination due at 4 months of age.

SPAY/NEUTER:

All dogs 7 months or older must be spayed or neutered to be part of daycare or boarding.

VACCINATIONS:

All dogs must have up-to-date vaccinations. Owners must submit written proof of:

- DHPP (distemper and parvo)
- Bordetella (kennel cough)
- Rabies is required for dogs over 4 months of age

HEALTH:

All dogs must be in good health. Owners will certify their dog(s) are in good health and have not been ill with a communicable condition in the last 30 days. Upon admission, all dogs must be free from any condition which could potentially jeopardize other pets.

BEHAVIOR:

All dogs must be non-aggressive to ALL TYPES and SIZES of dogs. Owners will certify their dogs have not harmed or shown an aggressive or threatening behavior toward any person or any other dog(s). Please remember: your pet will be spending time with other dogs and the safety and health of all animals is our main concern. NOTE: All dogs will be subject to a temperament test on their first day (does not include grooming). Failing this test will result in not being able to participate in daycare.

MEALS:

We request that you bring your dog's food to avoid causing possible digestive issues (diarrhea, gas, upset stomach etc.). We provide boarding dogs' meals based on each individual dog's needs at breakfast, lunch, (when applicable), and dinner. Daycare dogs won't be fed except by special request. If you forget to bring your dog's food or you don't bring enough for their stay, we will gladly provide our premium house food for \$2 per day.

EVALUATION/FREE DAY IN DAYCARE:

Your dog is welcome to join us for a free day in daycare. This day will allow a staff member to ensure that your dog's temperament is a good fit with our other furry guests. Safety is our top priority, and aggressive or unfriendly behavior can be dangerous for both dogs and staff members alike. The initial free day in daycare must be scheduled with us in advance – please contact us for availability. Please note that we MUST have proof of current vaccinations. All boarding dogs should have trial day care day before being boarded at OKCC. This day helps them see that mom and dad come back!

MEDICATION:

We are happy to give medication to your dog, but do not accept pets that require medical treatment beyond basic dispensing of medication.
