

Help keep the wastewater system functional!

For more information: (505) 552-9631

The Pueblo of Laguna Utility Authority (POLUA) is receiving numerous calls for wastewater blockage and needs the community's help to keep the wastewater system flowing.

Blockages cause:

- Sewer Backups
- Equipment Damage
- Costly repairs for the homeowner and POLUA*

*Homeowner repairs include, new toilet, new pipes, and Porta-Potty rental

You can help by:

- Properly disposing of Fats, Oils, & Grease (FOG). Place FOG into an empty coffee can, place lid on can, and throw in the trash.
- Not flushing anything other than toilet paper down the drain.

DO NOT FLUSH!

- Feminine Hygiene products
- All types of wipes
- Swiffer wipes or pads
- Birth Control contraceptives
- Rubber gloves
- Diapers
- All types of clothing
