K'awaika Hanu Internet Listing of Recommended Routers

Thank you for choosing K'awaika Hanu Internet (KHI) as your internet service provider. As a valued customer you have the option of purchasing your own router or purchasing one directly from KHI. The current router that KHI installs is the cnPilot router. This router has the capability for the KHI Technicians to directly connect to the router and provide troubleshooting assistance. This feature allows for a quicker response time when addressing service issues.

If you do choose to purchase and install your own router, as stated in the Terms and Conditions, KHI will not be responsible for troubleshooting third party equipment. Customers who choose to use their own router will be required to utilize the router's support option. Below is recommended listing of routers that customers can purchase should they choose to go with this option.

Brands that are highly recommended by KHI:

1. TP-Link
2. Asus Routers
3. Belkin

Brands that are not recommended by KHI:

1. Cisco/Linksys
2. Netgear Model: Nighthawk

If at any point in time, you are not satisfied with the router you purchase on your own, you are welcome to purchase one directly from KHI.

For any questions or concerns feel free to contact the KHI office Monday – Friday 8:00 am to 4:30 pm (505) 552-9631 ext. 202.
