

Amended Services – Inclement Weather Office Closure

Update, March 24, 2021

Due to inclement weather which prompted an Office Closure issued by the General Manager, Wednesday, March 24, 2021. This causes the following services to be amended as follows:

Solid Waste Services

- Customers receiving services on Wednesday's will be serviced on Thursday, March 25th. We will do our best to complete services as indicated on the Office Closure Schedule.
- If your solid waste was not picked up on your scheduled day, please leave the hurby unit out for the operators to service the next business day.

Septic Tank Pumping Services

- No Septic Tank Pumping services will be provided on, Wednesday, March 24th.
- Septic Tank pumping services will resume on Thursday, March 25th.

Please be patient as the crews are doing their best to providing essential services to the Laguna Community.

You may contact the Solid Waste Transfer Station at (505) 235-2480 or (505) 350-2940 if your hurby or septic tank needs to be serviced and with any questions.
