Section 1. GENERAL EASEMENTS TO COMMON ELEMENTS.

Subject to this Declaration and the Association Rules, non-exclusive reciprocal easements are hereby reserved and created for the purpose of support, ingress and egress, access, use and enjoyment in favor of each Owner, upon, across, over, under and through the Common Elements, including the use of all pipes, wires, ducts, cables, conduits, and public utility lines, which easements shall be appurtenant to each Condominium Unit. The Association, acting through the Board or its authorized agent, and public utility companies providing service to the Property, shall have non-exclusive

easements with the right of access to each Unit to make inspections, to remove violations, to maintain, repair, replace or effectuate the restoration of the Common Elements accessible in such Unit; provided, however, such rights shall be exercised in a reasonable manner and at reasonable times with prior notification unless emergency situations demand immediate access.

Section 2. PUBLIC UTILITIES. Easements and rights over the Property for the installation and maintenance of electricity lines, telephone lines, water lines, drainage facilities, and such other public utilities needed to serve the Property are hereby reserved by Declarant, together with the right to grant and transfer the same; provided, however, such easements and rights shall not unreasonably interfere with the use of the Common Elements and the Units by the Owners or their tenants.

Section 3. EASEMENTS FOR ENCROACHMENTS. If any portion of the Common Elements encroaches upon any Unit, or if any Unit encroaches on the Common Elements, or if any such encroachment shall occur hereafter as a result of the manner in which the Buildings have been constructed or due to settling, shifting, alteration, replacement, repair, or restoration by Declarant or the Association, a valid easement for encroachment shall exist so long as the Buildings stand.

Section 4. DEVELOPMENT EASEMENTS FOR DECLARANT. Until all Units have been sold by Declarant, there are hereby reserved to Declarant, together with the right to grant and

transfer the same to others, including Declarant's sales agents, representatives and assigns, easements and rights upon, across, over, under and through the Property for construction, display (including the use of the Condominium Storage Units as models), maintenance, sales and exhibit purposes (including the use of signs and other advertising devices) in connection with the erection and sale or lease of Condominium Storage Units within the Property; provided, however, that no such use by Declarant or its agents shall otherwise restrict Owners in the reasonable use of their Units.

ARTICLE XI

DECLARANT'S RIGHTS AND RESERVATIONS

Section 1. Authority to Construct and Sell Units.

Declarant shall have the right to construct, repair, remodel, redecorate, re-construct and sell Units for which provision has been made in this Declaration or any amendment hereto.

Section 2. Right to Assign. The rights of Declarant hereunder and elsewhere in this Declaration may be assigned by Declarant to any successor in interest to any portion of Declarant's interest in any portion of the Property by a recorded written assignment.

Section 3. Irrevocable Power of Attorney. Each Owner hereby grants, upon acceptance of his deed to his Condominium Unit, an irrevocable, special power of attorney to Declarant to execute and record all documents and maps

necessary to allow Declarant to exercise its rights under this article.

Section 4. Nonexclusive Use of Common Elements and Private Drives and Walkways. Declarant shall be entitled to the nonexclusive use of the Common Elements and any facilities thereon, without further cost for access, ingress, egress, use or enjoyment, in order to show the Property to its prospective purchasers and dispose of the Project as provided herein. Declarant, its successors, and tenants, shall also be entitled to the nonexclusive use of any portions of the Project which comprise drives and walkways for the purpose of ingress, egress and accommodating vehicular and pedestrian traffic to and from the Property.

Section 5. Additional Declarant Rights and Reservations. In addition to the rights set forth in Sections 1 through 4 of this Article, Declarant has other and additional rights and reservations set forth in various other Sections of this Declaration.

Section 6. Development Rights of Declarant. While Declarant owns any Condominium Storage Units or Property, Declarant hereby reserves and grants to itself, its successors and assigns the following development rights (which may be exercised without the consent of any other Owner or any Mortgagee but otherwise subject to the requirements of this Declaration);

(a) Add real estate to this Project, as provided in Section 8 of this Article.

(b) Create easements, Units, Common Elements or Limited Common Elements within the Project in conjunction with Declarant's exercise of rights under Section 8 of this Article.

(c) Subdivide Units, convert Units into Common Elements or convert Common Elements into Units within the Project in conjunction with Declarant's exercise of rights under Section 8 of this Article.

(d) Amend the Declaration during any period of Declarant control, pursuant to A.R.S. §33-1243D and Article III above, to comply with applicable law or to correct any error or inconsistency in the Declaration, if the amendment does not adversely affect the rights of any Owner.

(e) Amend the Declaration during any period of Declarant control pursuant to A.R.S. § 33-1243D to comply with the rules or guidelines, in effect from time to time, of any governmental or quasi governmental entity or federal corporation guaranteeing or insuring Mortgage loans or governing transactions involving Mortgage instruments.

Section 7. Legal Description of Real Property Subject to Declarant's Development Rights. The legal description of the Property to which these development rights apply is set forth in Exhibit "A" attached hereto and incorporated herein by reference. The maximum number of Units which may be constructed is ONE HUNDRED TWENTY-SIX (126) not including the Rest Room Facility and the 2 Utility/Office Units.

Section 8. Exercise of Declarant's Development Rights. Prior to exercising any development right, the Declarant shall prepare, execute, and record an amendment to the Declaration referencing such right together with a new Condominium Plat showing the boundaries of the portion of the Property as to which the development right is exercised if the previously recorded Condominium Plat of the Project does not show the same. The amendment to the Declaration shall assign an identifying number to each new Unit created, if not shown on the previous Condominium Plat and shall reallocate the interests of all Units in the Common Elements giving each Unit an equal interest therein. The amendment shall describe any Common Elements and any Limited Common Elements created and, in the case of the Limited Common Elements, designate the Unit or Units to which each is allocated, unless set forth on the prior Condominium Plat.

ARTICLE XII

USE RESTRICTIONS

Section 1. STORAGE USE. A Condominium Storage Unit shall be used, improved, and devoted exclusively to storage uses. No activity, except passive storage shall be allowed. No Condominium Storage Unit shall be used for purposes of manufacture, fabrication, sales (whether at wholesale or resale) or any other form of business, industrial or construction use. No Unit shall be allowed to be used, at any time, for living quarters or any residential use. No washing

out of a Unit or similar washing activity of items stored in a Unit shall be permitted within the Unit or on the Property except in the designated wash down area. Notwithstanding the foregoing, however, the Office Unit may be used for any ordinary office-type use, whether or not that use is related to the project, provided any such use shall not interfere with the free use of the Storage Units.

Section 2. MEZZANIES AND BALCONIES. Load bearing weights for Units that are constructed with mezzanines and balconies are labeled with maximum loads per square foot. It is important that these weight limitations not be exceeded. The use of the exterior balconies is limited to patio furniture and shall not be utilized for any storage whatsoever. It is the responsibility of the Unit's Owner to keep all patio furniture secured in the event of high winds.

Section 3. ANIMALS. No animals, whether fowl, poultry, livestock, or domestic animals shall be allowed to reside or be maintained in any Unit.

Section 4. EXTERNAL FIXTURES. No external items such as, but not limited to, television and radio antenna, flag poles, clotheslines, wiring, insulation, air conditioning equipment, water softening equipment, fences, awnings, ornamental screens, sunshades, shall be constructed, erected, or maintained on the Property, including any Buildings thereof unless approval is obtained in writing from the Board of the Association. The foregoing notwithstanding, nothing herein shall be construed as preventing Declarant and its agents and

assigns from engaging in all forms of construction and sales activities within the Property.

Section 5. UTILITY SERVICE. No lines, wire, dishes or other devices for the communication or transmission of electric current or power, including telephone, internet, television, and radio signals, shall be erected, placed, or maintained anywhere in or upon any property unless the same shall be contained in conduits or cables installed and maintained underground or concealed in, under or on buildings or other structures approved by the Board. No provision hereof shall be deemed to forbid the erection of temporary power or telephone structures incident to the construction of buildings or structures approved by the Board.

Section 6. TEMPORARY STRUCTURES. No temporary buildings or structure of any kind shall be used at any time for a residence on the property.

Section 7. PARKING. Except for the Office Unit and unless otherwise permitted by the Board, no motor vehicle (including a motorcycle), trailer, camper, RV, boat, construction equipment, or similar item, and no bicycle, shall be permitted to remain placed upon the Property unless parked or placed within the Unit; provided, however, temporary parking of motor vehicles may be permitted. For purposes hereof, "temporary parking" shall mean parking of vehicles belonging to Owners or agents parking of delivery trucks, service vehicles and other commercial vehicles being used in the furnishing of goods and services to the Association or to

the Owners and Occupants as well as parking of vehicles belonging to and being used by Owners, agents or Occupants for loading and unloading purposes. The Board may adopt Association Rules relating to the admission and temporary parking of vehicles within the Property, including the assessment of charges to Owners and Occupants who violate, or whose invitees, violate, such rules. Any charges to be assessed shall be special Assessments. Nothing herein shall be construed as preventing Declarant from using temporary structures or trailers for construction and/or sales purposes or engaging in all forms of construction and sales activities within the Property.

Section 8. OUTSIDE SPEAKERS AND AMPLIFIERS. No radio, stereo, broadcast or loudspeaker units and no amplifiers of any kind shall be placed upon or outside or be directed to the outside of any Building without the prior written approval of the Board.

Section 10. UNSIGHTLY ITEMS. All rubbish, debris or unsightly materials or objects of any kind shall be regularly removed from Condominium Storage Units and shall not be allowed to accumulate therein or thereon. Refuse containers and machinery and equipment not a part of Units, shall be prohibited upon any Condominium Storage Unit unless obscured from view of adjoining Condominium Storage Units and Common

Elements. Trash and garbage shall be placed in containers by Owners and Occupants for removal from the Property in accordance with Association Rules applicable thereto adopted by the Board. Declarant will not provide for trash or refuse removal. The Board may adopt rules applicable to the provisions of this Section and their enforcement, including the assessment of charges to Owners and Occupants who violate, or whose invitees violate, such rules. Any charges so assessed shall be special Assessments. The foregoing notwithstanding, nothing herein shall be construed as preventing Declarant and its agents and assigns from engaging in all forms of construction and sales activities within the Property.

Section 11. OIL AND MINERAL ACTIVITY. No oil drilling, oil development operations, oil refining, quarrying, or mining operations of any kind shall be permitted upon the surface of the Property, nor shall oil wells, tanks, tunnels, mineral excavations, or shafts be installed upon the surface of the Property or below the surface of the Property. No derrick or other structure designed for use in boring for water, oil or natural gas shall be erected, maintained or permitted upon the Property.

Section 12. DECLARANT'S EXEMPTION. Nothing contained in this Declaration shall be construed to prevent the erection or maintenance by Declarant or its duly authorized agents, of structures, improvements, or signs necessary or convenient to Developer, for sale, operation, or other disposition of Property.

Section 13. NUISANCES. No nuisance shall be permitted to exist to operate upon any property so as to be offensive or detrimental or any other property in the vicinity thereof or to its occupants. No rubbish, debris, material, or containers of any kind shall be placed or permitted to accumulate upon or adjacent to property and no odors shall be permitted to arise therefrom, so as to render any such property or any portion thereof unsanitary, unsightly, offensive, or detrimental to any other property in the vicinity thereof or to its occupants. No exterior speakers, horns, whistles, bells, or other sound devices, except security devices used exclusively for security purposes, shall be located, used, or placed on any such property. The Board in its sole discretion shall have the right to determine the existence of any nuisance.

Section 14. RENTING. Subject to the foregoing obligations, the Owners of the Units shall have the right to lease same provided that said lease is made subject to the covenants and restrictions contained in this Declaration and further subject to the Bylaws and Association Rules. Each Owner shall be responsible for compliance by said Owner's agent, tenant, guest, invitee, lessee, licensee, their respective servants, and employees with the provisions of said Declaration, Bylaws and Association Rules. The Owner's failure to so ensure compliance by such persons shall be grounds for the same action available to the Board by reason of said Owner's own non-compliance.

Section 15. NOISE. No Owner, his agents, tenants, employees, or visitors shall be allowed to make or cause improper noises in the building or common areas, nor in anyway interfere with the use and enjoyment of other Units by other Owners.

Section 16. EXPLOSIVES AND FLAMMABLE ITEMS. No Condominium Storage Unit shall be allowed to be used for storage of any explosive or flammable substances, except as to petroleum products (gasoline or diesel) which might be located in fuel tanks of motor vehicles or boats incidental to their use. No other petroleum products shall be allowed to be stored on the premises except as contained in legally authorized and approved containers not to exceed 25 gallons per Unit. No explosive devices of any nature whatsoever may be stored within any Unit, except for firearms and ammunition which must be stored in a fireproof safe.

Section 17. ODORS. No Owner shall permit any Unit to be used for or to contain any substance which shall emit noxious and/or offensive odors, whether toxic or otherwise, which may or do permeate to and/or effect the use and enjoyment of any other Unit.

Section 18. FIRE HAZARDS. No Owner shall occupy, use, or store any materials in any Unit, nor permit any Unit to be occupied or used for any purpose which would increase the premium for fire insurance on the Common Areas over the normal rates applicable to mini storage facilities. Upon notice that any such activity is or has been taking place, or

that any such materials have been, are or will be stored upon said premises, the Owner of the respective Unit(s) shall immediately cause same to be removed.

Section 19. Environmental Restrictions. All Owners shall be responsible for complying with all federal and state environmental and health laws and regulations. Without limiting the foregoing, no Unit Owner or other person may dispose of, transport, or store hazardous materials in their Unit or elsewhere in the Condominium other than as provided in this Article XII, Section 16 and in no event may a Unit Owner or other person dispose of any hazardous materials, including, without limitation, motor oil, hydrocarbons, or other petroleum products, in or down trash dumpsters or receptacles, a sewer or septic system, a flood retention area or anywhere else in or on the Condominium or any adjacent area. Notwithstanding the foregoing, under no circumstances shall the Declarant or the Board of Directors be obligated to inform Members or Unit Owners of any such violations, nor shall the Declarant or the Board of Directors be held liable for the enforcement of this provision.

Section 20. COMPLIANCE WITH LAW. Except for the Office Unit, each Unit shall be used and occupied solely for storage purposes as set forth in Article XII, Section 1 of this Declaration. No Unit shall be used for any purpose in violation of any state, federal or local statute or ordinance or of any regulation, order, or directive of a governmental agent as such statutes, ordinances, regulations, orders, or

directives now exist or may hereafter provide concerning the use and safety of the Unit and common areas. On the breach of any provision hereof by any Owner, the Association may, at its option, order such use to terminate, and that failing, enter upon the premises of the Unit and terminate such use.

Section 21. SIGNS. No sign whatsoever (including but not limited to, commercial, political, and similar signs) which are visible from neighboring property shall be erected or maintained on any Property except:

- (a) Such signs as may be required by legal proceedings;
- (b) Such signs the nature, number, and location of which have been approved by the Board in advance.

Section 22. RULES AND REGULATIONS. The Association shall have the power to make and adopt reasonable Association Rules with respect to activities which may be conducted on any part of the Property. The Board's determination as to whether a particular activity being conducted or to be conducted violates or will violate such Association Rules shall be conclusive unless, at a regular or special meeting of the Association, Owners representing a majority or the voting power of the Association vote to the contrary.

ARTICLE XIII

INSURANCE

Section 1. AUTHORITY TO PURCHASE. Commencing not later than the date a Unit is conveyed to a Person other than

Declarant, the Board shall have the authority to and shall obtain the insurance provided for in this Article.

Section 2. HAZARD INSURANCE. The Board shall obtain a master or blanket policy of property insurance on the entire Property including the Units and the Common elements insuring the Property against loss or damage by fire and other hazards covered by the standard extended coverage endorsement, and against loss or damage by sprinkler leakage, debris removal, cost of demolition, vandalism, malicious mischief, windstorm, and water damage. Such master policy of property insurance shall be in a total amount of insurance equal to 100% of the current replacement cost, exclusive of land, excavations, foundations, and other items normally excluded from such property policies.

Section 3. COMPREHENSIVE PUBLIC LIABILITY INSURANCE. The Board shall obtain comprehensive general liability insurance insuring the Association, the Declarant, the agents and employees of the Association and the Declarant, the Owners and Occupants and the respective family members, guests and invitees of the Owners and Occupants, against liability incident to the ownership or use of the Common Elements. The limits of such insurance shall not be less than \$2,000,000.00 covering all claims for death of or injury to any one person and/or property damage in any single occurrence. Such insurance shall also include protection against water damage liability, liability for non-owned and hired automobiles, and liability for the property of others.

Such insurance must provide that, despite any provisions giving the carrier the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable without the approval of the Association. The Board shall adjust the amount of the insurance carried under this Section from time to time.

Section 4. WORKMEN'S COMPENSATION INSURANCE. The Board shall purchase and maintain in effect Workmen's Compensation Insurance for all employees of the Association to the extent that such insurance is required by law.

Section 5. PREMIUMS. Premiums upon insurance policies purchased by the Board on behalf of the Association shall be paid by the Association as part of the Common Expenses.

Section 6. POLICY PROVISIONS.

(a) Any insurer that has issued an insurance policy to the Association under this Article shall also issue a certificate or memoranda of insurance to the Association and, upon request, to any Owner or Lender.

(b) The named insured under any policy of insurance shall be the Association, as trustee for the Owners, or its authorized representative, including any trustee with which the Association may enter into any Insurance Trust Agreement, or any successor trustee, each of which shall be referred to as the "Insurance Trustee" who shall have exclusive authority to negotiate losses under the policies.

(c) Insurance coverage may not be brought into contribution with insurance purchased by the Owners.

(d) Coverage must not be limited by (i) any act or neglect by Owners or Occupants which is not within control of the Association; or (ii) any failure of the Association to comply with any warranty or condition regarding any portion of the Property over which the Association has no control.

(e) Coverage may not be cancelled or substantially modified (including cancellation for nonpayment of premiums) without at least thirty (30) days prior written notice to the Association and all Lenders, and to any Owner to whom a certificate has been issued.

(f) All policies must contain a waiver of subrogation by the insurer as to any and all claims against the Association, Owners, Occupants and their respective agents and employees, and any defenses based on co-insurance or on invalidity arising from acts of the insured.

Section 7. SUPPLEMENTAL INSURANCE. The Board may obtain such other policies of insurance in the name of the Association as the Board deems appropriate to protect the Association and Owners, including, without limitation, errors and omissions insurance for officers and directors of the Association. Notwithstanding any other provision herein, the Association shall continuously maintain in effect such casualty, flood, and liability insurance.

Section 8. INSURANCE OBTAINED BY OWNERS. An Owner or Occupant shall be permitted to insure his personal property

against loss by fire or other casualty and may carry public liability insurance covering his individual liability for damage to persons or property occurring inside his Unit. An Owner may carry additional hazard insurance covering his Unit and improvements as well as additional liability insurance covering exposure from the ownership or use of the Common Elements.

ARTICLE XIV

DESTRUCTION OF IMPROVEMENTS

Section 1. AUTOMATIC RECONSTRUCTION. In the event of partial or total destruction of a Building or Buildings or any portion of the Common Elements within the Property, the Board shall promptly take the following action:

(a) The Board shall ascertain the cost of reconstruction by obtaining fixed price bids from at least two (2) reputable contractors, including the obligation to obtain performance and lien payment bonds.

(b) The Board shall determine the amount of insurance proceeds, if any, payable by contacting the appropriate representative of the insurer of said Building.

(c) If the Board determines: (i) that insurance proceeds will cover eighty-five percent (85%) or more of the estimated cost of reconstruction, or (ii) that available insurance proceeds together with available reserves and/or a special Assessment equal to Twenty-five (25%) or less of the then aggregate annual regular Assessments for all Condominium

Storage Units will completely cover the estimated cost of reconstruction, then the Board shall cause notice to be sent to all Owners setting forth such findings and informing said Owners and Lenders that the Board intends to commence reconstruction pursuant to this Declaration. In the event that at least twenty-five percent (25%) of the Owners based on one (1) vote for each Unit, object in writing to such reconstruction as indicated in such notice, the Board shall call a special meeting of the Owners pursuant to Section 2. In the event that the foregoing requirements are satisfied, and the satisfied and requisite numbers of Owners do not object in writing to such reconstruction, the Board shall cause reconstruction to take place as promptly as practicable thereafter. In connection with such reconstruction, the Board shall levy a uniform special Assessment against each Owner at such time and in such amount as the Board shall determine is necessary to cover the costs of reconstruction in excess of insurance proceeds and available reserves.

(d) If the Board in good faith determines that none of the bids submitted under this Section reasonably reflects the anticipated reconstruction costs, the Board shall continue to attempt to obtain an additional bid which it determines reasonably reflects such costs. Such determination shall be made by the Board as soon as possible. However, if such determination cannot be made within Ninety (90) days after the date of such destruction because of the unavailability or unacceptability of an insurance estimates or reconstruction

bid, or otherwise, the Board shall immediately call a meeting of the affected Owners pursuant to Section 2.

(e) If the Board determines that any Unit has become unusable by reason of its total or partial destruction, Assessments may abate against the Owner thereof until the Board determines that usability has been restored. However, if the Board determines that such abatement would adversely and substantially affect the management, maintenance, and operation of the Property, it may elect to disallow such abatement.

Section 2. RECONSTRUCTION BY VOTE. If reconstruction is not to take place pursuant to Section 1, as soon as practicable after the same has been determined, the Board shall call a special meeting of the Owners by mailing a notice of such meeting to each such Owner. Such meeting shall be held not less than Fourteen (14) days and not more than Twenty-one (21) days after the date of such notice. Unless the Owners, by a vote at such meeting or by the written consent of not less than Seventy-five percent (75%) of the Owners based on One (1) vote for each Unit, determine not to proceed with such reconstruction, reconstruction must take place and the Board shall levy a uniform special Assessment against each Owner at such time and in such amount as the Board shall determine is necessary to cover the costs of reconstruction in excess of insurance proceeds and available reserves.

Section 3. PROCEDURE FOR MINOR RECONSTRUCTION. If the cost of reconstruction is equal to or less than Ten

percent (10%) of the face amount of insurance then carried under the Association's hazard insurance policy, then the Board shall contract with a licensed contractor or contractors to rebuild or repair such damaged or destroyed portions of the Property in conformance with the original plans and specifications, or if the Board determines that adherence to such original plans and specifications is impracticable or is not in conformance with applicable laws, ordinances, building codes, or other governmental rules or regulations then in effect, then such repairs or rebuilding shall be of a kind and quality substantially equivalent to the original construction of such improvements.

Section 4. PROCEDURE FOR MAJOR RECONSTRUCTION. If the cost of reconstruction is greater than Ten percent (10%) of the face amount of insurance then carried under the Association's hazard insurance policy, all insurance proceeds, together with such amounts from available reserves or special Assessments as are needed to complete the cost of reconstruction, shall be paid directly to a bank or savings and loan association located in Mohave County, Arizona, whose accounts are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation, or the successor to either agency, as designated by the Board, as trustee (hereinafter called the "Insurance Trustee") for all Owners and Lenders. Such proceeds shall be received, held, and administered consistent with the provisions of this Declaration. Disbursement of such funds

shall be made only upon the signatures of two members of the Board. As soon as practicable after notification of the receipt of insurance proceeds, the Board shall enter into a contract with a licensed contractor or contractors for the repair or rebuilding of all of the damaged or destroyed Units and Common Elements according to the original plans and specifications of said improvements or, if the Board determines that adherence to such original plans and specifications is impracticable or not in conformity with applicable statutes, ordinances, building codes, or other governmental rules and regulations then in effect, then of a quality and kind substantially equivalent to the original, construction of such improvements. The contract with such licensed contractor or contractors shall provide for payment to the contractor or contractors of a specified sum for performance and execution of the work therein described, and shall have provisions for periodic disbursement of funds, which shall be consistent with procedures then followed by prudent lending institutions doing business in Mohave County, Arizona. The Board may employ a licensed architect to supervise the repair and rebuilding to ensure that all work, services, and supplies are in conformity with the requirements of the construction contract.

Section 5. TERMINATION. If Seventy-five percent (75%) or more of the Owners elect not to proceed with the reconstruction at the special meeting held pursuant to Section 2, the Board shall divide the insurance proceeds and then

available reserves into as many shares as there are then Units, said shares to be in the same proportion as the Owner's respective percentage interest in the Common Elements. If there are mortgages, deeds of trust, or other encumbrances remaining against any of the Condominium Units after disbursement by the Board of the proportionate share of insurance proceeds and available reserves, and such deficiencies are not paid by the respective Owner or Owners, the holders of any such mortgage, deed of trust, or other encumbrance must also execute and acknowledge such declaration in order to lawfully withdraw the Property from the Condominium pursuant to the Act.

Section 6. NEGOTIATIONS WITH INSURER. The Board shall have full authority to negotiate in good faith with representative of the insurer of a totally or partially destroyed Building or any other portion of the Common Elements, and to make settlements with the insurer for less than full insurance coverage on the damage to such Building or any other portion of the Common Elements. Any settlement made by the Board in good faith shall be binding upon all Owners.

Section 7. REPAIR OF CONDOMINIUM UNITS. Installation or improvements to, and repair of any damage to, the interior of a Condominium Storage Unit shall be made by and at the individual expense of the Owner of that Unit and, in the event of a determination to reconstruct after partial or total destruction, shall be completed as promptly as practicable and in a lawful and workmanlike manner.

Section 8. PRIORITY. Nothing contained in this Article shall entitle an Owner to priority over any Lender under a lien encumbering his Unit as to any portion of insurance proceeds allocated to such Condominium Storage Unit.

ARTICLE XV

GENERAL PROVISIONS

Section 1. ENFORCEMENT. The Association, or any Owner, shall have the right to enforce, by any proceeding at Law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. SEVERABILITY. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. COVENANTS TO RUN WITH THE LAND; TERM; AMENDMENT. The covenants and restrictions of this Declaration shall run with and bind the Condominium Storage Units and Common Areas, for the term of Twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of Ten (10) years. Except in cases of amendments that may be executed by the Declarant in the exercise of its Development Rights under

this Declaration or under §33-1220 of the Condominium Act, by the Association under §§ 33-1206 or 33-1216(D) of the Condominium Act, or by certain Unit Owners under §§ 33-1218(B), 33-1222, 33-1223 or 33-1228(B) of the Condominium Act, and except to the extent permitted or required by other provisions of the Condominium Act, the Declaration, including the Plat, may be amended by vote of the Unit Owners to which at least sixty-seven percent (67%) of the votes in the Association are allocated, at any time during the initial term hereof or any renewal term and without regard to whether such amendment has uniform application to the Units or the Condominium as a whole.

Any amendment adopted by the Unit Owners as provided herein shall be signed by the President or Vice-President of the Association and shall be recorded in the Official Records of the Mohave County, Arizona Recorder. Any such amendment shall certify that the amendment has been approved as required by this section. Any amendment made by the Declarant pursuant to this Declaration of the Condominium Act shall be executed by the Declarant and shall be recorded in the Official Records of the Mohave County, Arizona Recorder.

Section 4. VIOLATION OF LAW. Any violation of any state, municipal or local law, ordinance, or regulation, pertaining to the ownership, occupation or use of any property is hereby declared to be a violation of this Declaration and subject to any and all of the enforcement procedures set forth herein.

Section 5. CONSTRUCTION. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a plan for the development of a Condominium storage facility and for the maintenance of the Property. The Article and Section headings have been inserted for convenience only and shall not be considered or referred to in resolving questions of interpretation or construction.

Section 6. GENDER AND NUMBER. Whenever the context of this Declaration requires, the singular shall include the plural, and vice versa, and the masculine shall include the feminine and the neuter, and vice versa.

Section 7. NUISANCE. The result of every act or omission whereby any provision or Restriction contained in this Declaration or any provision contained in the Bylaws or Association Rules is violated in whole or in part is hereby declared to be and shall constitute a nuisance, and every remedy allowed at law or in equity against a nuisance, either public or private, shall be applicable with respect to the abatement thereof and may be exercised by the Association or any Owner. Such remedy shall be deemed cumulative to all other remedies set forth in this Declaration and shall not be deemed exclusive.

Section 8. ATTORNEY'S FEES. In the event any action is instituted to enforce any of the provisions contained in this Declaration, the Bylaws, or Association Rules, the party prevailing in such action shall be entitled to recover from

the other party thereto as part of the judgment reasonable attorney's fees and costs of suit.

Section 9. NOTICES. Any notice to be given to an Owner or the Association under the provisions of this Declaration, shall be in writing.

Section 10. EFFECT OF DECLARATION. This Declaration is made for the purpose set forth in the recitals in this Declaration and Declarant makes no warranties or representations, express or implied, as to the binding effect or enforceability of all or any portion of this Declaration, or as to the compliance of any of these provision with public laws, ordinances, regulations and the like applicable thereto. Declarant shall have no liability whatsoever if any of the provisions of this Declaration, the Bylaws or Association Rules are determined to be unenforceable in whole or in part or under certain circumstances.

Section 11. PERSONAL COVENANT. To the extent the acceptance of a conveyance of a Unit creates a personal covenant between the Owner of such Unit and Declarant, other Owners, or the Association, such personal covenant shall terminate and be of no further force or effect from and after the date when a Person ceases to be an Owner except to the extent this Declaration provides for personal liability with respect to the Assessments incurred during the period a Person is an Owner.

Section 12. NONLIABILITY OF OFFICIALS. To the fullest extent permitted by law, neither the Board nor any

officer of the Association shall be liable to any Owner or the Association for any damage, loss, or prejudice suffered or claimed on account of any decision, approval or disapproval, course of action, act, omission error, or negligence if such Board member or officer acted in good faith within the scope of his or their duties.

Section 13. ALLOCATION OF REAL PROPERTY TAXES.

After a Condominium Storage Unit in the Project has been sold to an Owner, other than Declarant, each Unit shall be separately taxed and assessed and no separate tax may be rendered against any Common Elements. Any portion of the Common Elements which Declarant reserves the right to withdraw shall be separately taxed and assessed to the Declarant and Declarant alone is responsible for payment of such taxes while Declarant retains the right to withdraw that portion of the Property.

Section 14. USE OF FUNDS COLLECTED BY THE ASSOCIATION. All funds collected by the Association, including Assessments and contributions to the Association paid by Owners, if any, shall be held by the Association in a fiduciary capacity to be expended in their entirety for non-profit purposes of the Association in managing, maintaining, caring for, and preserving the Common Elements and for other permitted purposes as set forth in this Declaration. No part of said funds shall inure to the benefit of any Owner (other than as a result of the Association managing, maintaining, caring for, and preserving the Common Elements and other than

as a result of expenditures made for other permitted purposes as set forth in this Declaration).

Section 15. NOTIFICATION OF SALE AND TRANSFER FEE.
