"**Subdivision Plat**" means any subdivision plat or condominium plat Recorded against any portion of the Project with the intent of, or which has the effect of, subdividing such portion into Lots (together with any related Common Area, Village Common Area and public rights-of-way), together with all amendments, supplements and corrections to such plat.

1.64. "**Tenant**" means a Person occupying any part of the Covered Property under any type of rental agreement, whether the rental agreement is within the definition set forth in A.R.S. § 33-1310(12) (as amended) or otherwise.

1.65. "**Village Declaration**" means a declaration Recorded pursuant to Section 2.2.

1.66. "**Village Neighborhood**" shall mean and refer to any part of the Project designated in a Village Declaration (or other Recorded instrument approved by the Declarant, and by the Owner of the property subject thereto, if other than Declarant), which is to be a separately developed and denominated area comprised of one (1) or more housing or commercial developments subject to this Declaration and Village Declaration, in which owners may have common interests other than those common to all Association Members, such as a common theme, entry feature, development name, and/or common areas and facilities which are not available for use by all Association Members. For example, and by way of illustration and not limitation, a commercial center, a townhome development, cluster home development, multi-family home development and single-family detached housing development may constitute a separate Village Neighborhood.

1.67. "Village Assessment" means an Assessment levied against fewer than all of the Lots and Parcels in the Project pursuant to Section 6.4.

1.68. "Village Assessment Area" means any part of the Project designated in a Village Declaration (or other Recorded instrument approved by the Declarant, and by the Owner of the property subject thereto, if other than the Declarant) as an area which is to be operated, maintained, repaired and replaced by the Association but which is for the sole or primary benefit of the Owners of fewer than all of the Lots and Parcels in the Project. Such a Village Assessment Area may be a Village Neighborhood.

1.69. "Village Association" means any homeowners association or similar association formed or organized pursuant to a Village Declaration.

1.70. "Village Common Area" means: (a) all land, together with all Improvements situated thereon, which a Village Association at any time owns in fee or in which a Village Association has a leasehold interest, easement or license for so long as the Association is the owner of the fee or holds such leasehold interest, easement or license; and (b) any and all other property and Improvements identified, designated or defined, by a Village Declaration, Village Declaration, Recorded subdivision plat or other Recorded instrument, as "common area" of a Village Association.

ARTICLE 2 PLAN OF DEVELOPMENT

2.1. Property Initially Subject to the Declaration. This Declaration is being Recorded to establish a general plan for the development and use of the Project in order to protect and enhance the value and desirability of the Project. All of the property within the Project shall be held, sold and conveyed subject to this Declaration. By acceptance of a deed or by acquiring any interest in any of the property subject to this Declaration, each Person, for himself, herself or itself, and his, her or its heirs, personal representatives, successors, transferees and assigns, binds himself, herself or itself, and his, her or its heirs, personal representatives, successors, transferees and assigns, to all of the provisions, restrictions, covenants, conditions, rules and regulations now or hereafter imposed by this Declaration. In addition, each such Person by so doing acknowledges that this Declaration sets forth a general scheme for the development and use of the Property and evidences his, her or its intent that all the restrictions, conditions, covenants, rules and regulations contained in this Declaration shall run with the land and be binding on all subsequent and future Owners, grantees, Purchasers, assignees, Lessees and transferees thereof. Furthermore, each such Person fully understands and acknowledges that this

Declaration shall be mutually beneficial, prohibitive and enforceable by the Association and all Owners.

2.2. **Village Declarations.** A Village Declaration shall be recorded against each Parcel or Lot within the Project (and with respect to portions of the Additional Property, in connection with, or subsequent to, the annexation and subsection of such portions to this Declaration pursuant to Section 2.3). A Village Declaration must be executed by the Declarant and by the Owner of the Parcel or Lots subject to such Village Declaration, if other than the Declarant. A Village Declaration shall designate a Land Use Classification for Lots or Parcels, assign memberships to a Lot or Parcel and may exempt a Parcel from Assessment pursuant to Article 10. A Village Declaration may: (a) designate Common Area, Village Common Area and Village Assessment Area; (b) reserve or grant easements to such Persons and for such purposes as the Declarant may deem appropriate; (c) impose such additional covenants, conditions and restrictions as the Declarant may deem appropriate for the property subject to the Village Declaration; (d) annex and subject the additional property covered thereby to this Declaration (subject to the provisions of Section 2.3); and (e) designate a Parcel as a NonResidential Parcel and, in such case, contain such additional provisions as permitted or contemplated by Article 10. If a Village Declaration designates any Village Neighborhood Assessment Area, the Village Declaration shall also designate the Lots and Parcels which solely or primarily benefit from the Village Neighborhood Assessment Area and which shall be subject to Village Neighborhood Assessment pursuant to Section 6.4. Except as otherwise expressly provided in the Village Declaration itself, a Village Declaration may only be amended by a written instrument executed by all of the following: (i) Owners holding at least sixty-seven percent (67%) of the votes in the Association held by the Owners of all of the Lots and Parcels subject to that Village Declaration (or in the case of a NonResidential Parcel, by Owners of at least sixty-seven percent (67%) of the net square footage of such Parcel); (ii) the Association; and (iii) the Declarant so long as the Declarant owns any Lot or Parcel in the Project. Each Village Declaration shall be construed as a Supplement to this Declaration and shall be enforceable as if all of the provisions of the Village Declaration were set forth herein. A Tract Declaration may define and specify the permitted and prohibited uses of, and may impose further covenants, conditions and restrictions and easements on property subject to the Village Declaration.

2.3. **Annexation of Additional Property.**

2.3.1. At any time on or before December 31, 2030, the Declarant shall have the right to annex and subject to this Declaration all or any portion of the Additional Property without the consent of any other Owner or Person (other than the Person who owns the property to be annexed, if other than the Declarant). The annexation of all or

any portion of the Additional Property shall be effected by the Declarant Recording a written instrument (which may be, but shall not be required to be, a Village Declaration) setting forth the legal description of the Additional Property being annexed and stating that such portion of the Additional Property is annexed and subjected to the Declaration.

2.3.2. The Additional Property may be annexed as a whole, at one time or in one or more portions at different times, or it may never be annexed, and there are no limitations upon the order of annexation or the boundaries thereof. Property annexed by the Declarant pursuant to this Section 2.3 need not be contiguous with other property in the Project, and the exercise of the right of annexation as to any portion of the Additional Property shall not bar the further exercise of the right of annexation as to any other portion of the Additional Property. The Declarant makes no assurances as to which, if any, part of the Additional Property will be annexed.

2.4. **Withdrawal of Property.** At any time on or before December 31, 2030, the Declarant shall have the right to withdraw property from the Project without the consent of any other Owner or Person (other than the Owner of such property, if other than the Declarant), except as otherwise expressly provided in the Village Declaration with respect to such property. The withdrawal of all or any portion of the Project shall be effected by the Declarant Recording a written instrument setting forth the legal description of the property being withdrawn. Upon the withdrawal of any property from the Project pursuant to this Section, such property shall no longer be subject to any of the covenants, conditions and restrictions set forth in this Declaration.

2.5. **Development Plan.** Notwithstanding any other provision of this Declaration to the contrary, the Declarant, without obtaining the consent of any other Owner or Person, shall have the right to make changes or modifications to the Development Plan with respect to any property owned by the Declarant in any way which the Declarant desires including, but not limited to, changing the density of all or any portion of the property owned by the Declarant or changing the nature or extent of the uses to which such property may be devoted.

2.6. **Disclaimer of Representations Regarding Completion and Development.** The Declarant makes no representations or warranties whatsoever that: (a) the Project will be completed in accordance with the plans for the Project as they exist on the date this Declaration is Recorded; (b) any property subject to this Declaration will be committed to or developed for a particular use or for any use; (c) any property not now subject to this Declaration will be subjected to the provisions hereof; or (d) the use of any property subject to this Declaration will not be changed in the future. Nothing contained in this Declaration and nothing which may be represented to a Purchaser by real

estate brokers or salesmen representing the Declarant or any Developer shall be deemed to create any covenants or restrictions, implied or express, with respect to the use of any property subject to this Declaration or of any part of the Additional Property.

2.7. Restriction on Liability of the Association and the Declarant.

Guardhouses and/or privacy gates may be constructed within or adjacent to the Project in order to limit access and to provide more privacy for the Owners and Occupants. If any such guardhouses and/or privacy gates are installed, the Declarant makes no representations or warranties that a guard service will be provided or, if guard service is provided, that it will be provided during any particular hours or be continued in the future. If guardhouses and/or privacy gates are installed, each Owner and Occupant, and their families, guests and invitees, acknowledge and expressly agree to assume the risk that any such guardhouse and/or privacy gate will restrict or delay entry into, or access within, the Project by police, fire department, ambulances or other emergency vehicles or personnel. Neither the Declarant, the Association nor any director, officer, agent or employee of the Declarant or the Association shall be liable to any Owner or Occupant or their families, guests or invitees for any claims or damages resulting, directly or indirectly, from the construction, existence or maintenance of any such guardhouse.

2.8. Security. Sailing Hawks Community Association, Inc., will strive to maintain Sailing Hawks as a safe, secure community. HOWEVER, NEITHER SAILING HAWKS COMMUNITY ASSOCIATION, INC. NOR DECLARANT SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. ALL OWNER, TENANTS, GUESTS, INVITEES OF ANY OWNER, AS APPLICABLE, ACKNOWLEDGE THAT THE SAILING HAWKS COMMUNITY ASSOCIATION, INC. AND ITS COMMITTEES ESTABLISHED BY ANY OF THE FOREGOING, ARE NOT INSURERS AND THAT EACH OWNER, TENANT, GUEST, AND INVITEE ASSUMES ALL RISK OF LOSS OR DAMAGE TO PERSONS, TO UNITS, AND TO THE CONTENTS OF UNITS AND FURTHER ACKNOWLEDGE THAT DECLARANT HAS MADE NO REPRESENTATIONS OR WARRANTIES, NOR HAS ANY OWNER, TENANT, GUEST, OR INVITEE RELIED UPON ANY INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE RELATIVE TO ANY SECURITY MEASURES RECOMMENDED OR UNDERTAKEN.

ARTICLE 3
LAND USE CLASSIFICATIONS, ARCHITECTURAL CONTROL,
PERMITTED USES AND RESTRICTIONS

3.1. **Land Use Classifications.** The purposes for which property within the Project may be used shall be determined by the Land Use Classification of the property as established by a Village Declaration covering the property. Accordingly, as portions of the Additional Property are readied for development in accordance with the Development Plan, any number of Land Use Classifications, including any number of subclassifications for any special uses, may be fixed by Declarant in the recorded Village Declaration. A particular Village Declaration shall affect only those portions of the Project specifically described in that Village Declaration. Until a Village Declaration is recorded against a Parcel designating a particular Land Use Classification, Declarant may designate the Parcel with any Land Use Classification (or combination of Land Use Classifications) which may be permitted under the Development Plan and the City zoning ordinances as either may then exist.

3.1.1. **Contemplated Land Use Classifications.** The Land Use Classifications contemplated as of the date of this Declaration are:

- (a) "Cluster Residential Use", consisting of Lots with Dwelling Units intended for occupancy by a Single Family, which may include those types of residential housing arrangements known as "townhouses", "clustered housing", "attached housing", "zero-lot line housing", "patio homes", "duplexes", "four-plexes", "zipper lots", and similar arrangements, together with related amenities;
- (b) "Residential Apartment Development Use", which may be converted to Residential Condominium Development Use, consisting of multifamily buildings containing Apartment Units;
- (c) "Residential Condominium Development Use", which may be converted to Residential Apartment Development Use, consisting of Condominium Units for individual ownership;
- (d) "Single Family Residential Use", consisting of detached Dwelling Units designed for use and occupancy by a Single Family;
- (e) "Common Areas";

- (f) "Education Use";
- (g) "Commercial Office Use";
- (h) "Shopping Center Use";
- (i) "Village or Residential Service Use", (C-1 Limited Commercial);
- (j) "Park Use";
- (k) "Natural Open Space Use"; and
- (l) Such non-residential uses as may be set forth in a Village Declaration Recorded by Declarant pursuant to Article 11.

Unless otherwise specifically provided in this Declaration, the exact definitions and characteristics of the Land Use Classifications (and the specific permitted and prohibited uses of the real property within a particular Land Use Classification) will be determined in the respective recorded Village Declarations. In the event of any conflict or inconsistency between the Land Use Classification for a Lot or Parcel as established by a Village Declaration and statements or notations on any Subdivision Plat or on the Development Plan with respect to the uses which may be made of property within the Project, the provision of the Village Declaration for the Lot or Parcel shall prevail. Each Village Declaration shall be construed as a supplement to this Declaration and shall be enforceable as if all of the provisions of the Village Declaration were set forth in this Declaration. A Village Declaration may define and specify the permitted and prohibited uses of, and may impose further covenants, conditions, restrictions and easements on, the property subject to the Village Declaration. The Declarant currently contemplates that other uses may be made of property adjacent to or in the vicinity of the Project. Notwithstanding the preceding sentence, however, and notwithstanding anything shown or depicted on the Development Plan or any other plans, drawings or other documents, the Declarant makes no representation, warranty or commitment that any such other use will or will not be made of property adjacent to or in the vicinity of the Project.

3.2. **New Land Use Classifications.** Declarant may from time to time create new Land Use Classifications for the Property which are consistent with the applicable uses and restrictions imposed by the City under the City zoning ordinances and the Development Plan. No Member is entitled to vote on the creation of any new Land Use Classification.

3.3. **Change in Land Use Classification.** Once a Parcel has been designated as having a particular Land Use Classification, the Land Use Classification may be changed only if:

(a) the change is permitted under the City zoning ordinances (including a final rezoning, if necessary); and

(b) either (i) the change is proposed by Declarant, or (ii) the change is approved by the Board.

No Member, other than the Declarant as provided above, is entitled to vote on a change in a Land Use Classification. Changes in Land Use Classification may include, but are not limited to, the conversion of Residential Apartment Development Use to Residential Condominium Development Use, and vice versa, as well as Residential Single Family to Residential Multi-Family, and vice versa.

3.4. **Incidental Uses.** The Architectural Committee may approve uses of property within a Land Use Classification which are incidental to the full enjoyment of the Owners and Occupants of the property within the Land Use Classification. Such approval may be subject to such regulations, limitations and restrictions, including termination of the use, as the Architectural Committee may wish to impose, in its sole discretion, for the benefit of the Project as a whole.

3.5. **Architectural Control.**

3.5.1. **New Construction.** All Improvements constructed within the Project or moved to the Project shall be of new construction. Nothing in this Subsection 3.5 shall prevent the Declarant from placing on the Property construction and sales trailers or similar facilities approved in advance by the Architectural Committee.

3.5.2. **Architectural Committee Approval Prior to Commencement of Activity.** No devegetation, excavation or grading work shall be performed within the Project on a Parcel without the prior written approval of a conceptual plan by the Architectural Committee. No exterior Improvement shall be constructed or installed within the Project without the prior written approval of the Architectural Committee. This includes any alterations to Landscaping that is not Concealed from View, existing or approved by the Architecture Committee. No addition, alteration, repair, change or other work which in any way alters the exterior appearance (including but without limitation, the exterior color scheme) of any property within the Project, or any Improvements

located thereon, shall be made or done without the prior written approval of the Architectural Committee, nor shall any Lot be split, divided or further subdivided in any manner without the prior written approval of the Architectural Committee.

3.5.3. Submission to Architectural Committee. Any Owner or other Person desiring approval of the Architectural Committee for the construction, installation, addition, alteration, repair, change or replacement of any Improvement which would alter the exterior appearance of his, her or its Lot, Parcel or other portion of the Project, or any Improvements located thereon, shall submit to the Architectural Committee, on a form provided by the Architectural Committee, a written request for approval specifying in detail the nature and extent of the construction, installation, addition, alteration, repair, change, replacement or other work which such Owner or other Person desires to perform. Any Owner or other Person requesting the approval of the Architectural Committee shall also submit to the Architectural Committee any additional information, plans and specifications which the Architectural Committee may reasonably request. Any change, deletion or addition to the plans and specifications approved by the Architectural Committee must be approved in writing by the Architectural Committee.

3.5.4. Approval by Architectural Committee; Non-Waiver as to Future Approvals. The Architectural Committee shall review all applications and render a decision within thirty (30) days of submittal. In the event that the Architectural Committee fails to approve or disapprove an application for approval within thirty (30) days after the completed application, and together with all supporting information, plans and specifications required by the Architectural Committee Rules or reasonably requested by the Architectural Committee, have been submitted to it, approval will not be required and this Section will be deemed to have been complied with by the Owner or other Person who submitted such application for approval. The approval by the Architectural Committee of any construction, installation, addition, alteration, repair, change, replacement or other work pursuant to this Section shall not be deemed a waiver of the Architectural Committee's right to withhold approval of any similar construction, installation, addition, alteration, repair, change, replacement or other work subsequently submitted for approval.

3.5.5. Commencement of Construction; Diligence in Completion of Construction. Upon receipt of approval from the Architectural Committee for any construction, installation, addition, alteration, repair, change, replacement or other work, the Owner or other Person who has requested such approval shall proceed to perform, construct or make the installation, addition, alteration, repair, change or other work approved by the Architectural Committee as soon as practicable and shall diligently pursue such work so that it is completed as soon as reasonably practicable and within

such time as may be prescribed by the Architectural Committee. The Architectural Committee shall have the right to assess fines, after notice, payable as determined by the Architectural Committee, for the failure to diligently pursue completion of construction. Said fine shall be enforceable as an Assessment as provided in this Declaration.

3.5.6. **Fee For Review.** The Architectural Committee shall have the right to charge a reasonable fee for reviewing requests for approval of any construction, installation, alteration, addition, repair, change, replacement or other work pursuant to this Section, which fee shall be payable at the time the application for approval is submitted to the Architectural Committee. Such fee, if established and charged by the Architectural Committee, shall be set at such reasonable level as the Architectural Committee may estimate will be necessary to defray the reasonable costs and expenses of the Architectural Committee in reviewing and evaluating any such request or application, and may include, if the Architectural Committee deems it reasonably necessary under the circumstances, an amount to cover the reasonable costs of professional consultation to the Architectural Committee by an architect or engineer.

3.5.7. **Requirement for Deposit.** The Architectural Committee shall have the right to condition approval on receipt of a reasonable deposit to ensure compliance with the Project Documents. The amount of the deposit, if required by the Architectural Committee, shall be determined by the Architectural Committee and shall be set at such reasonable level as the Architectural Committee may estimate will be necessary to defray the reasonable costs and expenses causing the construction to comply with the Project Documents. Upon satisfactory completion, in the sole discretion of the Architectural Committee, of the construction, installation, alteration, addition, repair, change, replacement or other work pursuant to this Section, the deposit shall be refunded to the Owner or other Person who paid the deposit. In the event the construction, installation, alteration, addition, repair, change, replacement or other work pursuant to this Section is not completed to the satisfaction of the Architectural Committee, then, without prejudice to any other rights, remedies or causes of action of the Association, the deposit shall be paid to the Association to be used, to the extent reasonably possible, to cause the construction to comply with the Project Documents.

3.5.8. **Declarant's Exemption.** The provisions of this Section do not apply to, and approval of the Architectural Committee shall not be required for, any construction, installation, addition, alteration, repair, change, replacement or other work by, or on behalf of, the Declarant.

3.5.9. **Additional Governmental Approvals.** The approval required of the Architectural Committee pursuant to this Section shall be in addition to, and not in

lieu of, any approvals or permits which may be required under any federal, state or local law, statute, ordinance, rule or regulation, or under any other Recorded instrument. The Architectural Committee may condition its approval of any application, plans or other items submitted to it on delivery to the Architectural Committee of evidence satisfactory to the Architectural Committee that the Owner or other Person seeking its approval has also made appropriate applications for (and prior to commencing work shall have obtained) any and all such other approvals or permits. The Architectural Committee shall cooperate reasonably with any other approving authorities or entities, provided, however, that the Architectural Committee shall not be bound by any approvals, permits or other decisions of any other such approving authority or entity.

3.6. Use Restrictions.

3.6.1. Landscape. A Developer or Owner, concurrent with the completion of a structure on a Lot or Parcel, shall install Landscaping in the front (streetside) and side yards on corner lots commencing at the back of the curb and continuing to the front of the nearest portion of the structure, wall or fence. The Owner of a Lot or Parcel shall install Landscaping in the back yard of the Lot or Parcel which is not fully enclosed by a solid fence or wall at least six (6) feet high, not later than ninety (90) days after the completion of a structure on the Lot or Parcel. All Landscaping must be installed in accordance with plans approved in writing by the Architectural Committee. If Landscaping is not installed on a Lot or Parcel in the manner and by the applicable dates provided for in this Section, the Association shall have the right, but not the obligation, to enter upon such Lot or Parcel to install such Landscaping as the Association deems appropriate and the cost of any such installation shall be paid to the Association by the Owner of the Lot or Parcel, upon demand from the Association. Any amounts payable by an Owner to the Association pursuant to this Section shall be secured by the Assessment Lien, and the Association may enforce collection of such amounts in the same manner and to the same extent as provided elsewhere in this Declaration for the collection and enforcement of Assessments. For purposes of this Section, a structure, Condominium Unit or other building shall be deemed completed when a Certificate of Occupancy is issued by the City.

3.6.2. Utility Service. No lines, wires or other devices for the communication or transmission of electric current or power, including telephone, television and radio signals, shall be erected, placed or maintained anywhere in or upon any Lot, Parcel or other property unless the same shall be contained in conduits or cables installed and maintained underground or concealed in, under or on buildings or other structures approved by the Architectural Committee. Power poles or other transmission lines existing as of the date of the recording of this Declaration are excluded from the

provisions of this section. No provision of this Declaration shall be deemed to forbid the erection of temporary power or telephone structures for emergency purposes or incident to the construction of buildings or structures approved by the Architectural Committee. Notwithstanding the foregoing, utility meters and related panels and similar equipment may be placed on outside building walls exposed to view from a street in order to comply with any requirements, regulations, orders, conditions or specifications of any public, quasi-public or private utility or any governmental agency or body, provided that reasonable efforts shall be made to avoid placing any such meter, panel or other equipment on the outside front wall of a residence or other building facing the street running directly in front of or beside such residence.

3.6.3. **Residential Use and Trades or Businesses.** All Residential Units shall be used, improved and devoted exclusively, to residential use by a Single Family. No trade or business may be conducted on any Lot or Parcel or in or from any Residential Unit, except that an Owner or other Resident may conduct a business activity in a Residential Unit so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Residential Unit; (b) the business activity conforms to all applicable zoning ordinances or requirements; (c) the business activity does not involve the door-to-door solicitation of Owners or other Residents in the Project; (d) the use of the Residential Unit for trade or business shall in no way destroy or be incompatible with the residential character of the Residential Unit or the surrounding neighborhood; (e) the trade or business shall be conducted only inside the Residential Unit or inside an accessory building, and shall not involve the viewing, purchase or taking delivery of goods or merchandise at, to, from or in any Residential Unit, including excessive small package deliveries by US Postal Service, UPS, or Federal Express type carriers; (f) the trade or business shall be conducted by a Resident or Residents of the Residential Unit with no employees; (g) no more than twenty percent (20%) of the total floor area of the Residential Unit shall be used for trade or business; (h) the Residential Unit used for trade or business shall not be used as a storage facility for a business conducted elsewhere; (i) the volume of vehicular or pedestrian traffic or parking generated by such trade or business shall not result in congestion or be in excess of what is customary in a residential neighborhood; (j) a trade or business shall not utilize flammable liquids or hazardous materials in quantities not customary to a residential use; and (k) a trade or business shall not utilize large vehicles not customary to a residential use. The terms "business" and "trade" as used in this Section shall be construed to have ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation or other form of consideration, regardless of whether: (i) such activity is engaged in full or part time; (ii) such activity is intended to or does

generate a profit; or (iii) a license is required for such activity. The leasing of a Residential Unit by the Owner thereof shall not be considered a trade or business within the meaning of this Section. Further, nothing in this Section shall be deemed to prevent or limit the construction, operation and maintenance of an apartment building or apartment complex on a Parcel for which such use is permitted by the Village Declaration Recorded with respect to that Parcel, or the use and operation of apartment units therein as model units in connection with rental or leasing operations for such building or complex, or the operation on that Parcel of rental, leasing, marketing or management offices for such building or complex.

3.6.4. **Signs in Residential Areas.** No signs whatsoever (including, but not limited to commercial, political, "for sale," "for rent" and similar signs) which are not Concealed from View shall be erected or maintained on any Lot or Parcel except:

- (a) Signs required by legal proceedings.
- (b) Residence identification signs provided the size, color, content and location of such signs have been approved in writing by the Architectural Committee.
- (c) Signs of Developers approved from time to time by the Architectural Committee as to number, size, color, design, message content, location and type.
- (d) Such construction job identification signs, business identification signs and subdivision identification signs which are in conformance with the requirements of any municipality having jurisdiction over the property and which have been approved in writing by the Architectural Committee as to number, size, color, design, message content and location.
- (e) Temporary "for sale" or "open house" signs shall be subject to any limitations for such signs as adopted by the Architectural Committee.

3.6.5. **Signs in Areas Other Than Residential Areas.** Signs are permitted and shall be erected or maintained on any Lot or Parcel subject to the following:

- (a) Signs required by legal proceedings are excepted.

(b) Business identification signs which are in conformance with the requirements of the City having jurisdiction over the property and which have been approved in writing by the Architectural Committee as to number, size, color, design, message content and location.

(c) Such construction job identification signs, and business identification signs which are in conformance with the requirements of the City having jurisdiction over the property and which have been approved in writing by the Architectural Committee as to number, size, color, design, message content and location.

3.6.6. **Fences and Walls.** Fences and walls shall be constructed in compliance with Design Guidelines or requirements imposed by a Village Declaration. Fences and walls visible from the street or neighboring properties must be decorative (wrought iron, slump stone, split face or colored block) and there shall not be any fences of wood, wire or chain link, grey construction block, or poly vinyl chloride (pvc), nor topped with barbed wire. No Owner shall permit removal, alteration or painting of such fences or walls without the prior approval of the Architecture Committee. If an Owner fails to maintain such a fence or wall in accordance with the foregoing, the Association may perform such maintenance, and the cost thereof shall be assessed to the Owner as an Assessment.

3.6.7. **Exterior Lighting.** The Declarant intends for Sailing Hawks to be a dark sky neighborhood affording all Owners a view of the night sky and all its brilliant stars undiminished by excessive light pollution. In order to fulfill this intent exterior lighting shall be limited to type and quantity. Exterior down lighting shall be permitted on a Lot or Parcel so long as (a) such lighting is limited to that which is reasonably necessary for the safety and convenience of the Occupants of such Lot or Parcel and when appropriate, motion sensor activated; (b) no up-lighting of any type shall be used; (c) no filament image, opal globes, or clear glass shall be used; (d) light sources must be concealed; and (e) such lighting also conforms to such requirements as may be imposed by the Architectural Committee. Landscape lighting is permitted provided it has been approved by the Architectural Committee and conforms to such requirements as may be imposed by the Architectural Committee. Notwithstanding the foregoing, but subject to reasonable regulation by the Architectural Committee, Owners or Occupants of Lots or Parcels may display temporary holiday lighting during the Christmas season, provided that no such lighting shall be permitted for a period in excess of forty-five(45) days.

3.6.8. Vehicles and Watercraft.

No inoperable vehicle, travel trailer, tent trailer, trailer, camper shell, detached camper, recreational vehicle, boat, boat trailer, or other similar recreational equipment or vehicle may be parked, maintained, constructed, reconstructed or repaired on any Lot or Parcel, Common Area or other portion of the Property, or on any street, except in garages or areas screened or concealed from view on Lots as approved by Architectural Committee. No recreational vehicle, motorcycle, motorbike, all-terrain vehicle, off-road vehicle or any similar vehicle or watercraft shall be parked, maintained or operated on any portion of the Project except in garages or in areas concealed from view on Lots except as approved by Architectural Committee. Violations of this provision by Guests of Owners or Residents may result in fines against an Owner, which shall be collectible as an Assessment. Owners or Residents shall park automobiles or other motor vehicles only in their garages or driveways and not park on the street. Each Owner consents to and acknowledges the right of the Association to regulate parking within the Project including parking on any public roads.

The Board shall have the right to have any recreational vehicle, motor vehicle, motorcycle, travel trailer, tent trailer, trailer, camper shell, detached camper, recreational vehicle, boat, boat trailer or similar equipment which is parked, kept, maintained, constructed, reconstructed or repaired in violation of the Project Documents towed away or otherwise removed at the sole cost and expense of the owner of the vehicle or equipment. Any expense incurred by the Association in connection with the towing of or other removal of any vehicle or equipment shall be paid to the Association upon demand by the owner of the vehicle or equipment. If the vehicle or equipment is owned by an Owner, any amounts payable to the Association shall be secured by the Assessment Lien, and the Association may enforce collection of such amounts in the same manner provided for in this Declaration for the collection of Assessments.

3.6.9. Antennas, Poles, Towers and Dishes. No television, radio, shortwave, microwave, satellite, flag or other antenna, pole, tower or dish shall be placed, constructed or maintained upon any Lot, Parcel or other part of the Property unless such antenna, pole, tower or dish is fully and attractively Concealed From View; if screening or concealment is required by this Subsection, the method of screening or concealment shall be subject to the rules and guidelines established by the Architectural Committee which shall be consistent with the Telecommunications Act of 1996. Flag poles shall be reasonable in size and height and be regulated consistent with the provisions of A.R.S. § 33-1808, as amended from time to time. Nothing in this Section shall be deemed to prohibit the Declarant from installing and maintaining flagpoles on, at or adjacent to

model homes within the Project. Poles to which basketball backboards, goals and related equipment are affixed shall be governed by Section 3.6.16.

3.6.10. **Trash Containers and Collection.** No garbage or trash shall be placed or kept on any Lot, Parcel or other property except in sanitary, covered containers of a type, size and style which are approved by the Architectural Committee. Such containers shall be maintained so as to be Concealed from View except to make the same available for collection and then only for the shortest time reasonably necessary to effect such collection, but not to exceed twenty-four (24) hours. All rubbish, trash or garbage shall be removed from Lots, Parcels and other property and shall not be allowed to accumulate thereon. No outdoor incinerators shall be maintained on any Lot, Parcel or other property.

3.6.11. **Clothes Drying Facilities.** No outside clotheslines or other outside facilities for drying or airing clothes shall be erected, placed or maintained on any Lot, Parcel or other property unless said clothesline or other outside facilities for drying or airing of clothes are Concealed From View.

3.6.12. **Animals.** No animal, livestock, poultry or fowl of any kind, other than a reasonable number of house pets, shall be maintained on or in any Lot or Parcel and then only if they are kept or raised thereon solely as domestic pets and not for commercial purposes. No house pets shall be permitted to make an unreasonable amount of noise or create a nuisance. All structures for the care, housing or confinement of any pet shall be Concealed From View. Notwithstanding the foregoing, no pets may be kept on or in any Lot or Parcel which, in the opinion of the Board, result in an annoyance to other Owners or Occupants in the vicinity. All pets shall be leashed when not on property owned by the pet's owner or on which the pet's owner is a Resident or guest, and persons walking any pet shall promptly and properly remove and dispose of the pet's waste. No Owner shall feed or undertake any action whatsoever that intentionally or unintentionally attracts wild animals or fowl with the exception of the feeding of song or hummingbirds.

3.6.13. **Drainage.** No Residential Unit, structure, building, landscaping, fence, wall or other Improvement shall be constructed, installed, placed or maintained in any manner that would obstruct, interfere with or change the exit point and direction or flow of water in accordance with the drainage plans for the Project, or any part thereof, or for any Lot or Parcel as shown on the drainage plans on file with the county or municipality in which the Project is located.

3.6.14. **Machinery and Equipment.** No machinery or equipment of any kind shall be placed, operated or maintained upon or adjacent to any Lot or Parcel, except: (a) such machinery or equipment as is usual and customary in connection with the use, maintenance or construction (during the period of construction) of a building, appurtenant structures or other Improvements; and (b) that which Declarant or the Association may permit or require for the development, operation and maintenance of the Project. No heating, ventilating, air conditioning or evaporative cooling units or appurtenant equipment may be mounted, installed or maintained on the roof of any Improvement on any Lot or Parcel within the Project.

3.6.15. **Solar Collecting Panels or Devices.** The Declarant recognizes the benefits to be gained by permitting the use of solar energy as an alternative source of electrical power for residential use. At the same time, the Declarant desires to promote and preserve the attractive appearance of the Property and the Improvements thereon, thereby protecting the value generally of the Property and the various portions thereof, and of the various Owners' respective investments therein. Therefore, subject to prior approval of the plans therefor by the Architectural Committee, solar collecting panels and devices may be placed, constructed or maintained upon any Lot within the Property so long as such solar collecting panels and devices are placed, constructed and maintained in such locations, and with such means of screening or concealment as the Architectural Committee may reasonably deem appropriate to limit, to the extent possible, the visual impact of such solar collecting panels and devices when viewed from any street or from any other property (whether within or outside the Property). Notwithstanding any other provision of this Declaration to the contrary, the Declarant (during the Period of Declarant Control) or the Board (after the expiration or termination of the Period of Declarant Control) shall have the right, without the consent or approval of any Owner or other Person, to amend this Section (which amendment may, without limitation, impose additional or different restrictions on solar collecting panels and devices) as the Declarant or the Board (as applicable) deems appropriate in the event that, after the date this Declaration is Recorded, Section 33-439 of the Arizona Revised Statutes (or any successor thereto) is amended, repealed or replaced.

3.6.16. **Basketball Goals, Play Structures, or Fences.** No basketball goal, backboard or similar structure or device, and no swingsets or other play structures or fences shall be placed or constructed on any Lot or Parcel without the prior written approval of the Architectural Committee (including, without limitation, approval as to appearance, screening and location). Permanent Basketball Goals are prohibited.

3.6.17. **Tanks.** No tanks of any kind (including tanks for the storage of fuel) shall be erected, placed or maintained on any Lot or Parcel. Nothing

herein shall be deemed to prohibit use or storage upon any Lot, or Parcel of a propane tank 5 gallons or less in size, incidental to the use of a residential barbeque, so long as any such tank is appropriately located, stored, used and/or screened, in accordance with the Architectural Committee Rules or as otherwise approved by the Architectural Committee, so as to be Concealed From View.

3.7. **Nuisances, Construction Activities.** No Person shall permit any thing or condition to exist upon any Lot, Parcel or other property which shall induce, breed or harbor infectious diseases or noxious insects. No rubbish or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any Lot, Parcel or other property, and no odors, loud noises or loud music shall be permitted to arise or emit therefrom, so as to render any such property or any portion thereof, or activity thereon, unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to the occupants of such other property. No other nuisance shall be permitted to exist or operate upon or adjacent to any Lot, Parcel or other property so as to be offensive or detrimental to any other property in the vicinity thereof or to its occupants. Normal construction activities and parking in connection with the building of Improvements on a Lot, Parcel or other property shall not be considered a nuisance or otherwise prohibited by this Declaration, but during construction periods, Lots, Parcels and other property shall be kept in a neat and tidy condition, trash and debris shall not be permitted to accumulate, supplies of brick, block, lumber and other building materials shall be piled only in such areas as may be approved in writing by the Architectural Committee, and no loud music shall be permitted. In addition, any construction equipment and building materials stored or kept on any Lot, Parcel or other property during the construction of Improvements may be kept only in areas approved in writing by the Architectural Committee, which may also require screening of the storage areas. The Architectural Committee in its sole discretion shall have the right to determine the existence of any such nuisance. The provisions of this Section shall not apply to construction activities of the Declarant.

3.8. **Construction Activities.** Normal construction activities and parking in connection with the building of Improvements on a Lot shall not be considered a nuisance or otherwise prohibited by this Declaration. During construction periods, Lots shall be kept in a neat and tidy condition. Trash and debris shall not be permitted to accumulate. Supplies of brick, block, lumber and other building materials shall be piled only in such areas as may be approved in writing by the Design Review Committee. No loud music shall be permitted. In addition, any construction equipment and building materials stored or kept on any Lot during the construction of Improvements may be kept only in areas approved in writing by the Design Review Committee, which may also require screening of the storage areas. The Association shall have the right to determine the existence of any such nuisance and assess fines therefor enforceable as an assessment against the Lot

as provided herein. The provisions of this section shall not apply to construction activities of the Declarant. Construction Activity, specifically including but not limited to hours and days during which construction activity may occur, shall be regulated by the Association in the Design Review Guidelines.

3.9. **Temporary Buildings.** Temporary buildings, trailers or other structures used for office/storage purposes may be permitted during the construction of Improvements subject to approval by the Architectural Committee. Any such temporary building shall be removed immediately after the completion of construction. In no event shall any such buildings, trailers or other structures be maintained or kept on any property for a period in excess of eight months without the prior written approval of the Architectural Committee. Temporary occupancy of a residential nature in any type of temporary or partially constructed building is prohibited.

3.10. **Health, Safety and Welfare.** In the event additional uses, activities or facilities are deemed by the Board to be a nuisance or to adversely affect the health, safety or welfare of Owners, Lessees and Occupants, the Board may make rules restricting or regulating their presence in the Project as part of the Association Rules or may direct the Architectural Committee to make rules governing their presence on Lots, Parcels or other property as part of the Architectural Committee Rules.

3.11. **Variances.** The Architectural Committee may, at its option and in extenuating circumstances, grant variances from the restrictions set forth in this Article 3 or in any Village Declaration if the Architectural Committee determines in its discretion that: (a) a restriction would create an unreasonable hardship or burden on an Owner or Occupant or a change of circumstances since the recordation of this Declaration had rendered such restriction obsolete; and (b) the activity permitted under the variance will not have any substantial adverse effect on Owners and Occupants and is consistent with the high quality of life intended for residents of the Project.

3.12. **Required Approvals for Further Property Restrictions.**

3.12.1. All proposed site plans and Subdivision Plats for any Lot or Parcel, or any portion thereof, must be approved in writing by the Architectural Committee prior to Recordation thereof or commencement of construction on the applicable Lot or Parcel. No Lot, or portion thereof, shall be further subdivided or subjected to a condominium declaration, and no portion less than all of any such Lot, or any easement or other interest therein, shall be conveyed or transferred by any Owner without the prior written approval of the Architectural Committee, provided that nothing in this Subsection shall be deemed to prohibit sales by the Declarant or a Developer of

Lots into which a Parcel is divided, so long as the plat(s) and other items required to be approved pursuant to this Section 3.12 have been so approved.

3.12.2. No Village Declaration or further covenants, conditions, restrictions, condominium declarations or easements shall be Recorded against any Lot or Parcel, or portion thereof, without the prior written approval of the Architectural Committee and Declarant, during the Period of Declarant Control.

3.12.3. No applications for rezoning, variances or use permits, or for waivers of or modifications to existing variances, use permits, zoning stipulations or similar restrictions, shall be filed with any governmental authority or agency without the prior written approval of the Architectural Committee, and then only if such proposed zoning, variance or use, or waiver or modification, is in compliance with this Declaration, any applicable Village Declaration, any applicable Village Declaration and the Development Plan. This provision shall not apply to Declarant.

3.12.4. No Subdivision Plat, condominium declaration, Village Declaration, easement, declaration of further covenants, conditions, restrictions or easements or other instrument which is to be Recorded and which is required by this Section to be approved by the Architectural Committee shall be effective unless the required approval is evidenced on such instrument by the signature of an authorized representative of the Architectural Committee.

3.12.5. No site plan, Subdivision Plat, condominium declaration or further covenants, conditions, restrictions or easements, and no application for rezoning, variances or use permits shall be submitted to the City or any other governmental authority or agency unless the same has first been approved in writing by the Architectural Committee as provided in this Section 3.24; further, no changes or modifications shall be made in any such documents, instruments or applications once the documents have been approved by the Architectural Committee hereunder (whether requested by the City or otherwise) unless such changes or modifications have first been approved by the Architectural Committee in writing.

3.12.6. Notwithstanding the foregoing, the Declarant shall not be required to seek or obtain any of the approvals or consents otherwise required under this Section as to any Lot or Parcel, or any portion of either, of which Declarant is the Owner.

3.13. **Model Homes.** Any provisions of this Declaration, Village Declarations or Village Declarations which prohibit non-residential use of Lots and certain Parcels and regulate parking of vehicles shall not prohibit the construction and

maintenance of model homes or other model Residential Units of any kind (including, without limitation, any used in whole or in part as sales offices) (collectively, "Models") by Persons engaged in the construction of Residential Units in the Project, or parking incidental to the visiting of such Models, so long as the construction, operation and maintenance of such Models and parking otherwise comply with all of the provisions of this Declaration. The Architectural Committee may also permit Lots and other areas to be used for parking in connection with the showing of Models. Any homes or other structures constructed as Models shall cease to be used as Models at any time the Owner or Lessee thereof is not actively engaged in the construction and sale of Residential Units in the Project, and no home or other structure shall be used as a Model for the sale of homes or other structures not located in the Project. This Section shall not apply to model apartment units in an apartment building or apartment complex on a Parcel for which such use is permitted by the Village Declaration Recorded with respect to that Parcel. Neither the provisions of this Section nor the provisions of any other Section of this Declaration or of any Village Declaration or Village Declaration shall restrict or prohibit the right of the Declarant or a Declarant Affiliate to construct, operate and maintain Models in the Project.

3.14. **Declarant's Exemption.** Nothing contained in this Declaration or in any Village Declaration or Village Declaration shall be construed to prevent the construction, installation or maintenance by the Declarant, any Declarant Affiliate or any agents or contractors thereof, during the period of development, construction and sales on the Property, of Improvements, landscaping or signs deemed necessary or convenient by the Declarant, in its sole discretion, to the development or sale of property within the Property.

ARTICLE 4 EASEMENTS

4.1. **Owners' Easements of Enjoyment.**

4.1.1. Subject to the rights and easements granted to the Declarant in Section 4.4, each Owner, and each Occupant of such Owner's Lot or Parcel, shall have a non-exclusive right and easement of enjoyment in, to and over the Common Area, which right and easement shall be appurtenant to and shall pass with the title to each Lot and Parcel, subject to the provisions of this Declaration including, without limitation, the following.

(a) Except as otherwise provided, in this Declaration, no dedication, transfer, mortgage or encumbrance of all or any portion of the Common Area

shall be effective unless approved by Owners representing two-thirds (2/3) of the votes in each class of Members. Notwithstanding the preceding sentence or any other provision of this Declaration to the contrary, the Association shall have the right, without the consent of the Owners or any other Person (except Declarant, whose consent shall be required so long as Declarant owns any part of the Property or of the Additional Property), to dedicate portions of the Common Area to the public, or grant easements over, under or through portions of the Common Area to the public, to any municipal or other governmental agency or entity, or to any public, quasi-public or private utility company, for use as right-of-way, for utilities, for public landscape purposes and the like, as may be required or requested by the City or any municipal or other governmental agency or entity having jurisdiction, or by a public, quasi-public or private utility company, in connection with or at the time of the development of portions of the Property or of portions of the Additional Property.

(b) The Association shall have the right to regulate the use of the Common Area through the Association Rules (which may include, without limitation, the adoption and implementation of a reservation system for such portions of the Common Area, or Improvements or amenities thereon, as the Board deems appropriate) and to prohibit access to such portions of the Common Area, such as landscaped right-of-ways, not intended for use by the Owners, Lessees or other Occupants.

(c) If a Recorded Village Declaration designates a portion of the Common Area as a Village Assessment Area, then only the Owners and Occupants of those Lots and Parcels which are assessed a Village Assessment for such Village Assessment Area shall have the right to use such Village Assessment Area.

(d) The Declarant and the Association shall each have the right to grant easements or licenses to Developers or other Persons for the construction of Improvements on the Common Area, and the Declarant and the Association shall each have the right to grant ingress and egress easements over the private streets and roads in the Project, if any, to Persons who are not Members of the Association.

(e) The Declarant and the Association shall each have the right to convey certain portions of the Common Area to Owners of adjoining Lots or Parcels in connection with the correction or adjustment of any boundary between Common Area and any one or more adjoining Lots or Parcels; provided, however, that neither the Association nor the Declarant shall have the right to transfer or convey any portion of the Common Area upon which is situated any recreational facility unless approved by a vote of the Members pursuant to Section 4.1.1(a).

(f) The Association shall have the right to charge Special Use Fees for the use of the Common Area. The Special Use Fees, if any, shall be set by the Board from time to time, in its discretion. Special Use Fees shall be charged only for actual entry upon or use of those portions of the Common Area, if any, selected by the Board to be, subject to a Special Use Fee; and shall be imposed only where the Board deems it appropriate to collect revenue from the actual users of such selected portions of the Common Area so that all of the costs of operating such selected portions of the Common Area are not borne by all of the Owners through Annual Assessments, but rather are borne, at least in part, by the Owners, Occupants and other Persons using such selected portions of the Common Area.

(g) The Association shall have the right to suspend the rights of any Owner or Occupant to use and enjoy recreational facilities on the Common Area: (1) for any period during which an Assessment remains delinquent; (2) for a period not to exceed 60 days for any infraction of the Project Documents; or (3) for successive 60 day periods if any such infraction is not corrected during any preceding suspension period.

4.1.2. If a Lot or Parcel is leased or rented by its Owner, the Occupants of such Lot or Parcel shall have the right to use the Common Area during the term of the lease, and the Owner of such Lot or Parcel shall have no right to use the Common Area until the termination or expiration of such lease.

4.1.3. The Board shall have the right to limit the number of guests and invitees who may use the recreational facilities located on the Common Area at any one time and may restrict the use of the recreational facilities by guests and invitees to certain specified times.

4.2. **Utility Easement.** There is hereby created an easement upon, across, over and under the Common Area, Lots, Parcels and other property for reasonable ingress, egress, installation, replacement, repair or maintenance of all utilities, including, but not limited to, gas, water, sewer, telephone, cable television and electricity. By virtue of this easement, it shall be expressly permissible for the providing utility company to install and maintain the necessary equipment on the Common Area, Lots, Parcels and other property but no sewers, electrical lines, water lines or other utility or service lines may be installed or located on the Common Area, Lots, Parcels and other property except as initially designed, approved and/or constructed by the Declarant or as approved by the Board (and, in the case of a Lot or Parcel, by the Owner of such Lot or Parcel). If any utility company requests that a more specific easement be granted in its favor in substitution for the blanket easement hereby established with respect to the Common Area, the Association shall have the power and authority, without the need for any consent by the Owners or

any other Person, to grant or deny the more specific easement on such terms and conditions as the Board deems appropriate.

4.3. **Easements for Ingress and Egress.** There are hereby created easements for ingress and egress for pedestrian traffic over, through and across sidewalks, paths, walks and lanes that from time to time may exist upon the Common Area. There is also created an easement for ingress and egress for pedestrian and vehicular traffic over, through and across such driveways and parking areas as from time to time may be paved and intended for such purposes. Such easements shall run in favor of and be for the benefit of the Owners and Occupants of the Lots and Parcels and their guests, families, tenants and invitees. There is also hereby created an easement upon, across and over the Common Area and all private streets, private roadways, private driveways and private parking areas within the Project for vehicular and pedestrian ingress and egress for police, fire, medical and other emergency vehicles and personnel.

4.4. **Declarant's Use and Easements.**

4.4.1. The Declarant shall have the right and an easement (which, in its discretion, it may delegate to and/or share with one or more Developers, upon and subject to such terms and conditions as the Declarant may deem appropriate) to maintain sales or leasing offices, management offices and models throughout the Project and to maintain one or more advertising signs on the Common Area and Village Common Area with respect to the sales of Lots, Parcels or other, property in the Project or within any of the Additional Property. The Declarant reserves the right (which, in its discretion, it may delegate to and/or share with one or more Developers, upon and subject to such terms and conditions as the Declarant may deem appropriate) to place models, management offices and sales and leasing offices on any Lots, Parcels or other property owned by the Declarant (or by such Developer(s), as applicable) and on any portion of the Common Area and Village Common Area in such number, of such size and in such locations as the Declarant deems appropriate.

4.4.2. So long as the Declarant is marketing Lots, Parcels or other portions of the Property or the Additional Property, the Declarant shall have the right to restrict the use of the parking spaces on the Common Area. Such right shall include reserving such spaces for use by prospective Purchasers, Declarant's employees and others engaged in sales, leasing, maintenance, construction or management activities.

4.4.3. The Declarant shall have the right and an easement on and over the Common Area to construct all Improvements the Declarant may deem necessary and to use the Common Area and any Lots, Parcels and other property owned by the Declarant

for construction or renovation related purposes including the storage of tools, machinery, equipment, building materials, appliances, supplies and fixtures, and the performance of work respecting the Project and property adjacent to the Project.

4.4.4. The Declarant shall have the right and an easement upon, over and through the Common Area and Village Common Area as may be reasonably necessary for the purpose of exercising the rights granted to or reserved by the Declarant in this Declaration.

4.5. **Easement in Favor of Association.** The Lots, Parcels and Village Common Area are hereby made subject to the following easements in favor of the Association and its directors, officers, agents, employees and independent contractors:

4.5.1. For inspection during reasonable hours of the Lots, Parcels and Village Common Area in order to verify the performance by Owners or other Persons of all items of maintenance and repair for which they are responsible;

4.5.2. For inspection, maintenance, repair and replacement of portions of the Common Area accessible only from such Lots, Parcels and Village Common Area;

4.5.3. For inspection, maintenance, repair and replacement of Landscaping within the Landscape Easements defined;

4.5.4. For correction of emergency conditions on one or more Lots, Parcels or Village Common Area or on portions of the Common Area, accessible only from such Lots, Parcels or Village Common Area;

4.5.5. For the purpose of enabling the Association, the Board, the Architectural Committee or any other committees appointed by the Board to exercise and discharge during reasonable hours their respective rights, powers and duties under the Project Documents;

4.5.6. For inspection during reasonable hours of the Lots, Parcels and Village Common Area in order to verify that the Owners and Occupants, and their guests, tenants and invitees, are complying with the provisions of the Project Documents.

4.6. **View Corridor Easements.** View Corridor Easements are hereby imposed upon each Lot or Parcel. The Design Review Guidelines shall define with specificity the view corridor easements imposed on each Lot or Parcel. The definition of the View Easement in the Guidelines is incorporated herein as though fully set forth

herein. Each Lot Owner acknowledges the existence of the View Corridor Easement, covenants to preserve the view easement, and accepts title to the Lot or Parcel subject to the same.

ARTICLE 5
THE ASSOCIATION; ORGANIZATION;
MEMBERSHIP AND VOTING RIGHTS

5.1. **Formation of Association.** The Association shall be a nonprofit Arizona corporation charged with the duties and vested with the powers prescribed by law and set forth in the Articles, the Bylaws and this Declaration. In the event of any conflict or inconsistency between this Declaration and the Articles, Bylaws, Association Rules or Architectural Committee Rules, this Declaration shall control. Upon the incorporation of the Association, this Declaration will be binding upon and shall benefit the Association and its successors and assigns.

5.2. **Board of Directors and Officers.** The affairs of the Association shall be conducted by the Board and such officers as the Board may elect or appoint in accordance with the Articles and the Bylaws. Unless the Project Documents specifically require the vote or written consent of the Members, approvals or actions to be given or taken by the Association shall be valid if given or taken by the Board. The Board may appoint various committees at its discretion. The Board may also appoint or engage a manager to be responsible for the day-to-day operation of the Association and the Common Area; the Board shall determine the compensation to be paid to any such manager.

5.3. **Association Rules and Board Resolutions.** The Board may, from time to time, and subject to the provisions of this Declaration, adopt, amend and repeal rules and regulations or resolutions pertaining to: (a) the management, operation and use of the Common Area including, but not limited to, any recreational facilities situated upon the Common Area; (b) traffic restrictions including speed limits on private streets and parking restrictions on private and public roads within the Project; (c) minimum standards for any maintenance of Common Areas, Lots and Parcels within the Project; or (d) any other subject within the jurisdiction of the Association. In the event of any conflict or inconsistency between the provisions of this Declaration and the Association Rules or Board Resolutions, the provisions of this Declaration shall prevail.

5.4. **Change of Use of Common Area.** Upon: (a) adoption of a resolution by the Board stating that in the Board's opinion the then present use of a designated part of the Common Area is no longer in the best interests of the Owners; and (b) the approval

of such resolution by Members casting more than two thirds (2/3rds) of the votes entitled to be cast by Members who are present in person or by proxy, at a meeting duly called for such purpose and who are entitled to use such Common Area under the terms of this Declaration or any Village Declaration, the Board shall have the power and right to change the use thereof (and in connection therewith, construct, reconstruct, alter or change the buildings, structures and improvements thereon in any manner deemed necessary by the Board to accommodate the new use), provided such new use shall be consistent with any zoning regulations restricting or limiting the use of the Common Area. This Section shall not apply to, or be deemed to limit in any way, the right and power of the Association pursuant to Section 4.1.1 (a) to grant easements over, under or through portions of the Common Area, or to dedicate portions of the Common Area, to public, quasi-public or private utility companies, municipalities or other governmental agencies or entities, in connection with or at the time of development of property within or adjacent to the Project, where required or requested by any municipality or other governmental agency or entity, or any public, quasi-public or private utility company.

5.5. **Implied Rights.** The Association may exercise any right or privilege given to the Association expressly by the Project Documents and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association by the Project Documents or reasonably necessary to effectuate any such right or privilege.

5.6. **Village Neighborhood Associations.** Village Neighborhood Associations are permitted, but not required, by this Declaration. However, no Village Neighborhood Declaration (nor any amendment to any such declaration) shall be Recorded by any Person other than the Declarant (and, if Recorded, such Village Neighborhood Declaration or amendment shall not be effective) unless it has been expressly approved, in a written, Recorded instrument (which may be attached to or part of such Village Neighborhood Declaration or amendment) by: (a) the Declarant, so long as the Declarant owns any Lot or Parcel in the Project; or (b) the Board, if at the time the Declarant no longer owns any Lot or Parcel in the Project. Likewise, no articles of incorporation, bylaws or similar formative or governing documents (or any amendment thereto) of a Village Association or formed by any Person other than Declarant shall be filed or effective unless they have been expressly approved in writing by: (a) the Declarant, so long as the Declarant owns any Lot or Parcel in the Project; or (b) the Board, if at the time the Declarant no longer owns any Lot or Parcel in the Project.

5.7. **Village Neighborhood Associations Bound.** Upon the establishment of any Village Association, this Declaration will be binding upon and will benefit the Village Association and its successors and assigns.

5.8. **Membership in the Association.** Every Owner of a Lot or Parcel which is Assessable Property shall be a Member of the Association, and the Declarant shall be a Member of the Association so long as it owns any part of the Project or of the Additional Property (unless and until the Declarant expressly relinquishes in writing its status as a Member). Each such Owner shall have the following number of Memberships in the Association:

5.8.1. An Owner shall have one (1) Membership for each Lot owned by that Owner.

5.8.2. Where an Owner owns a Parcel subject to a Village Declaration which (a) is applicable only to that Parcel, and (b) assigns a specific number of Memberships to such Parcel, such Owner shall have, with respect to that Parcel, the number of Memberships so assigned.

5.8.3. Where an Owner owns a Parcel subject to a Village Declaration which applies to other Assessable Property in addition to that Parcel, and which assigns a specific aggregate number of Memberships to all property subject to that Village Declaration (the "Total Village Memberships"), then, unless the Village Declaration specifically provides otherwise (and unless and until that Parcel is subdivided into Lots), the number of Memberships attributable to that Parcel shall be determined as follows:

(a) if the other Assessable Property covered by that Village Declaration consists only of Lots, the number of Memberships attributable to that Parcel shall equal the Total Village Memberships less the total number of such Lots;

(b) if the other Assessable Property consists only of one or more other Parcels, the number of Memberships attributable to each of the Parcels subject to the Village Declaration shall be determined by allocating the Total Village Memberships among such Parcels proportionately based on their respective sizes (measured in net acres), as reasonably determined and allocated by Declarant; and

(c) if the other Assessable Property consists of Lots and one or more other Parcels, the number of Lots shall first be subtracted from the Total Village Memberships, and the remaining number of Memberships shall be allocated among all Parcels subject to the Village Declaration in the manner provided in paragraph 5.8.3(b) above.

5.8.4. In the case of a Parcel with respect to which no Village Declaration has yet been Recorded, the Owner of the Parcel shall have one Membership for each Residential Unit permitted on such Parcel under then current zoning. Total Memberships attributable to a Parcel with respect to which no Village Declaration has yet been Recorded shall, upon Recordation of a Village Declaration, be adjusted and re-determined in accordance with the provisions of this Section 5.9. Further, as to any Parcel which is subdivided into Lots, upon such subdivision the Memberships attributable to such Lots shall be adjusted and re-determined in accordance with Section 5.9.1 (and, as to any portion of such Parcel which is not subdivided and therefore, itself constitutes a Parcel, the total Memberships attributable to such "new" Parcel shall be adjusted and re-determined in accordance with this Section 5.8).

5.8.5. If, at anytime when the Declarant is a Member of the Association but would have no Memberships pursuant to Sections 5.8.1, 5.8.2, 5.8.3 or 5.8.4, the Declarant shall nevertheless be deemed to have one (1) Membership, provided, however, that the number of votes held by the Declarant shall be determined pursuant to Section 5.9.

5.9. Votes in the Association.

5.9.1. Each Owner other than the Declarant shall be entitled to one (1) vote for each Membership held by such Owner.

5.9.2. Until the reclassification of a Parcel of Land, expiration or termination of the Period of Declarant Control, the Declarant shall be entitled to five thousand (5,000) votes. The calculation of these votes by land classification in accordance with the provisions of this Article 5. After the expiration or termination of the Period of Declarant Control, the Declarant shall have one (1) vote for each Membership held by the Declarant.

5.10. Voting Procedures. A change in the ownership of a Lot or Parcel shall be effective for voting purposes from the time the deed or other instrument effecting such change is Recorded; the Board shall thereafter be given written notice of such change and provided satisfactory evidence thereof. The vote for each such Lot or Parcel must be cast as a unit, and fractional votes shall not be allowed. In the event that a Lot or Parcel is owned by more than one Person and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Member casts a vote representing a certain Lot or Parcel, it will thereafter be conclusively presumed for all purposes that he, she or it was acting with the authority and consent of all other Owners of the same Lot or Parcel unless objection

thereto is made at the time the vote is cast. In the event more than one Owner attempts to cast the vote or votes for a particular Lot or Parcel, the vote or votes for that Lot or Parcel shall be deemed void and shall not be counted.

5.11. **Transfer of Membership.** The rights and obligations of any Member other than the Declarant shall not be assigned, transferred, pledged, conveyed or alienated in any way except upon transfer of ownership of an Owner's Lot or Parcel, and then only to the transferee of ownership of the Lot or Parcel. A transfer of ownership of a Lot or Parcel may be effected by deed, intestate succession, testamentary disposition, foreclosure or such other legal process as is now in effect or as may hereafter be established under or pursuant to applicable law. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership of a Lot or Parcel shall operate to transfer the Membership appurtenant to said Lot or Parcel to the new Owner thereof. Each Purchaser of a Lot or Parcel shall notify the Association of his, her or its purchase of a Lot or Parcel. The Association may require the Purchaser of a Lot or Parcel to pay to the Association a transfer fee in an amount to be set by the Board, and the transfer fee shall be secured by the Assessment Lien.

5.12. **Architectural Committee.**

5.12.1. The Association shall have an Architectural Committee to perform the functions assigned to it as set forth in this Declaration. So long as the Declarant owns any Lot, Parcel or other property within the Project, or any portion of the Additional Property, the Architectural Committee shall consist of three (3) regular members, each of whom shall be appointed by, and serve at the pleasure of, the Declarant. Two members shall constitute a quorum. At such time as the Declarant no longer owns any Lot, Parcel or other property within the Project, or any portion of the Additional Property, the Architectural Committee shall consist of such number of members as the Board may deem appropriate from time to time (but in no event less than three (3) nor more than five (5) regular members, two (2) members shall establish a quorum, each of whom shall be appointed by, and serve at the pleasure of, the Board.

The Declarant may at any time voluntarily surrender in writing its right, as the Declarant, to appoint and remove the members of the Architectural Committee pursuant to this Section, and in that event the Declarant may require, for so long as the Declarant owns any Lot, Parcel or other property within the Project, or any portion of the Additional Property, that specified actions of the Architectural Committee, as described in a Recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

5.12.2. The Architectural Committee shall promulgate architectural design guidelines and standards (including, but not limited to, color palettes and plant materials) to be used in rendering its decisions. Any architectural design guidelines and standards promulgated, adopted, amended or modified during the Period of Declarant Control must be approved in writing by the Declarant. These design guidelines and standards, as the same may be amended from time to time, are incorporated into this Declaration by this reference and shall be enforceable just the same as though wholly set forth herein. The decision of the Architectural Committee shall be final on all matters submitted to it pursuant to this Declaration. As provided in Section 3.4 the Architectural Committee may establish a reasonable fee to defer the costs of considering any requests for approvals submitted to the Architectural Committee, which fee shall be paid at the time the request for approval is submitted.

5.13. **Personal Liability.** No member of the Board, the Architectural Committee or any other committee of the Association, no officer of the Association and no manager or other employee of the Association shall be personally liable to any Member, or to any other Person including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error or negligence of the Association, the Board or any member thereof, the Architectural Committee or any member thereof, the manager, any representative or employee of the Association, any officer of the Association or any member of any other committee of the Association; provided, however, the limitations set forth in this Section shall not apply to any person who has failed to act in good faith or has engaged in wilful or intentional misconduct.

5.14. **Indemnification.** The Association shall indemnify each and every officer and director of the Association, each and every member of the Architectural Committee, and each and every member of any committee appointed by the Board (including, for purposes of this Section, former officers and directors of the Association, former members of the Architectural Committee, and former members of committees appointed by the Board) and any management agent hired by the Board, and its employees (collectively, "Association Officials" and individually an "Association Official") to the full extent permitted by A.R.S. § 10-2305(C), as amended from time to time. This indemnification shall include indemnification against any and all expenses, including attorneys' fees, reasonably incurred by or imposed upon an Association Official in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the Association, by reason of the fact that the Association Official is or was a member, director, officer, employee or agent of the Association or is or was serving at the request of the Association as a member, director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses,

including attorney fees, and against judgments, fines and amounts paid in settlement (if the settlement is approved by the Board serving at the time of such settlement) actually and reasonably incurred by the Association Official in connection with such action, suit or proceeding if the Association Official acted, or failed to act, in good faith and in a manner the Association Official reasonably believed to be in or not opposed to the best interests of the Association and, with respect to any criminal action or proceeding, had no reasonable cause to believe the conduct was unlawful. No Association Official shall have any personal liability with respect to any contract or other commitment made by them or action taken by them, in good faith, on behalf of the Association (except indirectly to the extent that such Association Official may also be a Member of the Association and therefore subject to Assessments hereunder to fund a liability of the Association), and the Association shall indemnify and forever hold each such Association Official free and harmless from and against any and all liability to others on account of any such contract, commitment or action. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any Association Official may be entitled. If the Board deems it appropriate, in its sole discretion, the Association may advance funds to or for the benefit of any Association Official who may be entitled to indemnification hereunder to enable such Association Official to meet on going costs and expenses of defending himself or herself in any action or proceeding brought against such Association Official by reason of his or her being, or having been, an Association Official. In the event it is ultimately determined that an Association Official to whom, or for whose benefit, funds were advanced pursuant to the preceding sentence does not qualify for indemnification pursuant to this Section or otherwise under the Articles, Bylaws or applicable law, such Association Official shall promptly upon demand repay to the Association the total of such funds advanced by the Association to him or her, or for his or her benefit, with interest (should the Board so elect) at a rate not to exceed ten percent (10%) per annum from the date(s) advanced until paid.

ARTICLE 6 COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

6.1. **Creation of Lien and Personal Obligation of Assessments.** The Declarant, for each Lot and Parcel, hereby covenants and agrees, and each Owner, other than the Declarant, by becoming the Owner of a Lot or Parcel, is deemed to covenant and agree, to pay Assessments to the Association in accordance with this Declaration. All Assessments shall be established and collected as provided in this Declaration. The Assessments, together with interest, late charges and all costs, including but not limited to reasonable attorneys fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall be a charge on the Lot or Parcel and shall be a continuing lien upon the Lot or Parcel against which each such

Assessment is made. Each Assessment together with interest and all costs, including but not limited to reasonable attorneys fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall also be the personal obligation of each Person who was an Owner of the Lot or Parcel at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them (unless title is transferred to one or more such successors for purposes of avoiding payment of any Assessment or is transferred to a Person controlling, controlled by or under common control with the Owner transferring title).

6.2. Annual Assessment.

6.2.1. In order to provide for the operation and management of the Association and to provide funds for the Association to pay all Common Expenses and to perform its duties and obligations under the Project Documents, including, without limitation, the establishment of reasonable reserves for replacements, maintenance and contingencies, the Board, for each Assessment Period, shall assess an Annual Assessment against each Lot and Parcel which is Assessable Property.

6.2.2. The Board shall give notice of the Annual Assessment to each Owner at least thirty (30) days prior to the beginning of each Assessment Period, but the failure to give prior notice shall not affect the validity of the Annual Assessment established by the Board nor relieve any Owner from its obligation to pay the Annual Assessment. If the Board determines during any Assessment Period that the funds budgeted for that Assessment Period are, or will become, inadequate to meet all Common Expenses for any reason, including, without limitation, nonpayment of Assessments by Members, it may increase the Annual Assessment for that Assessment Period and the revised Annual Assessment shall commence on the date designated by the Board (provided, however, that the total Annual Assessment for such Assessment Period shall not exceed the maximum amount determined pursuant to Section 6.3.1(b)).

6.3. Rate of Assessment.

6.3.1. The amount of the Annual Assessment against each Lot or Parcel shall be determined as follows:

(a) The term "Membership Assessment" shall mean the amount equal to the total budget of the Association (except for any Common Expenses to be assessed as a Village Assessment under Section 6.4) for the applicable Assessment Period

divided by the total number of Memberships in the Association (subject to Subsection 6.3.1 (b) below).

(b) Except for Lots and Parcels subject to assessment pursuant to paragraph 6.3.1 (c) hereof, each Lot and Parcel shall be assessed an Annual Assessment in an amount equal to the number of Memberships attributable to such Lot or Parcel multiplied by the Membership Assessment. For the fiscal year ending December 31 of the year of Recordation of this Declaration, the Maximum Membership Assessment shall be determined by the Board based on a budget covering the Common Expenses estimated to be incurred during the coming year and including a capital contribution to establish a reserve fund. Thereafter, the Membership Assessment may not be increased by more than twenty percent (20%) per annum. In order to increase the annual assessment by more than twenty percent (20%), in any given year, the members, by a 2/3rds majority of the voting power of the Association at a meeting must approve the increase. The Association is under no obligation to increase the Membership Assessment by twenty percent (20%) a year. In the event the Association does not increase the Membership Assessment by the maximum amount of twenty percent (20%) in any year, the Association shall not be deemed to have waived its right to do so in the future.

(c) Declarant shall pay a reduced assessment for each Lot or Parcel owned by Declarant equal to twenty-five percent (25%) of the actual assessment established annually by the board of directors, PROVIDED, however, that the Declarant shall pay to the Association any deficiency in monies experienced by the Association as a result of Declarant having paid a reduced assessment. Declarant shall pay said sum within ten (10) days of written demand therefor by the Association. Any said deficiency shall constitute an assessment against all lots then owned by Declarant and shall be enforceable as such in the manner prescribed herein.

(d) Membership Assessments shall commence for each Lot or Parcel on the first day of the first month following conveyance to an Owner other than Declarant.

6.3.2. If the rate of assessment for any Lot or Parcel changes during any Assessment Period pursuant to the provisions of Subsection 6.3.1, the Annual Assessment attributable to such Lot or Parcel shall be prorated between the applicable rates upon the basis of the number of days in the Assessment Period that the Lot or Parcel was assessed under each rate.

6.4. Village Neighborhood Assessments. All Common Expenses of the Association pertaining to the operation, maintenance, repair and replacement of Village

Assessment Area shall be shown separately in the budget adopted by the Board. The Common Expenses pertaining to the operation, maintenance, repair and replacement of a Village Assessment Area (which Common Expenses shall for purposes of this Section 6.4 include, without limitation: [a] any contributions to reserves for maintenance, replacement and repairs and for contingencies; [b] any additional insurance premiums charged to the Association because of the type or nature of the Village Assessment Area; and [c] any costs, losses, damages, liabilities or expenses, including without limitation reasonable attorneys' fees and court costs, suffered or incurred by the Association by reason of its ownership, operation, maintenance, replacement or repair of the Village Assessment Area (to the extent they exceed the amount of any insurance proceeds received by the Association or any proceeds recovered by the Association from other parties, as reasonably determined by the Board) shall be assessed solely against the Lots and Parcels which are benefitted by the Village Assessment Area as established by the Village Declaration designating the Village Assessment Area. No Common Expenses pertaining to the operation, maintenance, repair or replacement of a Village Assessment Area shall be used in computing the Annual Assessments to be levied pursuant to Sections 6.2 and 6.3. Unless otherwise provided for in the applicable Village Declaration, Village Assessments shall be levied against the Lots and Parcels benefitted by the Village Assessment Area at a uniform rate per Membership. If the Board determines during any Assessment Period that Village Assessments with respect to any Village Assessment Area are, or will, become inadequate to meet all Common Expenses pertaining to that Village Assessment Area for any reason, including, without limitation, nonpayment of Village Assessments by Members, the Board may increase the Village Assessment for that Assessment Period and the revised Village Assessment shall commence on the date designated by the Board.

6.5. Special Assessments. The Association may levy against each Lot and Parcel which is Assessable Property, in any Assessment Period, a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of Improvements upon the Common Area, including fixtures and personal property related thereto, provided that any Special Assessment shall have the assent of two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

6.6. Assessment Period. The period for which the Annual Assessments and Village Assessments are to be levied (the "Assessment Period") shall be the calendar year. The Board in its sole discretion from time to time may change the Assessment Period.

6.7. **Rules Regarding Billing and Collection Procedures.** Annual and Village Assessments shall be collected on a monthly basis or such other basis as may be selected by the Board. Special Assessments may be collected as specified by the Board. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making Assessments and for the billing and collection of the Assessments provided that the procedures are not inconsistent with the provisions of this Declaration. The failure of the Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment or charge under this Declaration, but the Assessment Lien therefor shall not be foreclosed or otherwise enforced until the Member has been given not less than thirty (30) days written notice prior to such foreclosure or enforcement that the Assessment or any installment thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Lot or Parcel changes during an Assessment Period; successor Owners of Lots or Parcels shall be given credit for prepayments, on a prorated basis, made by prior Owners.

6.8. **Effect of Nonpayment of Assessments, Remedies of the Association.**

6.8.1. Any Assessment, or any installment of an Assessment, not paid within thirty (30) days after the Assessment, or the installment of the Assessment, first became due shall bear interest from the due date at the rate established from time to time by the Board. In addition, the Board may establish a late fee to be charged to any Owner who has not paid any Assessment, or any installment of an Assessment, within fifteen (15) days after such payment was due.

6.8.2. The Association shall have a lien on each Lot and Parcel for all Assessments levied against the Lot or Parcel and for all other fees and charges payable to the Association by the Owner of the Lot or Parcel pursuant to this Declaration. Recording of this Declaration constitutes record notice and perfection of the Assessment Lien. The Association may, at its option, Record a notice of lien setting forth the name of the delinquent Owner as shown in the records of the Association, the legal description or street address of the Lot or Parcel against which the notice of lien is Recorded and the amount claimed to be past due as of the date of the Recording of the notice, including interest, lien recording fees and reasonable attorneys' fees.

6.8.3. The Assessment Lien shall have priority over all liens or claims except for (a) tax liens for real property taxes; (b) assessments in favor of any municipal or other governmental body; and (c) the lien of any First Mortgage. Regardless whether the Assessment Lien has, or is deemed to have, priority over liens securing assessments

levied pursuant to a Subsidiary Declaration, foreclosure of the Assessment Lien with respect to a Lot or Parcel shall not impair, extinguish or otherwise affect such other assessment liens or relieve or release any obligations for such other assessments secured by such Lot or Parcel.

6.8.4. The Association shall not be obligated to release any Recorded notice of lien until all delinquent Assessments, interest, lien fees, reasonable attorneys' fees, court costs, collection costs and all other sums payable to the Association by the Owner of the Lot or Parcel have been paid in full.

6.8.5. The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with interest, lien fees, reasonable attorneys fees and any other sums due to the Association in any manner allowed by law including, but not limited to: (a) bringing an action at law against the Owner personally obligated to pay the delinquent Assessments and such action may be brought without waiving the Assessment Lien securing the delinquent Assessments; or (b) bringing an action to foreclose the Assessment Lien against the Lot or Parcel in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots or Parcels purchased at such sale.

6.9. **Evidence of Payment of Assessments.** Upon receipt of a written request by a Member or any other Person, the Association, within a reasonable period of time thereafter, shall issue to such Member or other Person a written certificate stating: (a) that all Assessments, interest and other fees and charges have been paid with respect to any specified Lot or Parcel as of the date of such certificate; or (b) if all Assessments have not been paid, the amount of such Assessments, interest, fees and Charges due and payable as of such date. The Association may make a reasonable charge for the issuance of such certificates, which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matters therein stated as against any bona fide Purchaser of, or lender on, the Lot or Parcel in question.

6.10. **Purposes for Which Association's Funds May Be Used.** The Association shall apply all funds and property collected and received by it (including the Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of the Project and the Owners and Occupants by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services,

projects, programs, studies and systems, within or without the Project; which may be necessary, desirable or beneficial to the general common interests of the Project, the Owners and the Occupants, and to the establishment and funding of reasonable reserves for replacements and contingencies. The following are some, but not all, of the areas in which the Association may seek to aid, promote and provide for such common benefit social interaction among Members and Occupants, maintenance of landscaping on Common Area and public right-of-way and drainage areas within the Project, construction, operation and maintenance of recreational and other facilities on Common Area, operation, maintenance, replacement and repair of Village Assessment Area and Improvements thereon, recreation, insurance, communications, ownership and operation of vehicle storage areas, education, transportation, health, utilities, public services, safety, indemnification of officers, directors and committee members of the Association, employment of professional managers, and hiring professional consultants such as architects, engineers, attorneys and accountants.

6.11. **Surplus Funds.** The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

6.12. **Transfer Fee.** Each Purchaser of a Lot or Parcel shall pay to the Association immediately upon becoming the Owner of the Lot or Parcel a transfer fee in such amount as is established from time to time by the Board.

6.13. **Notice and Quorum for Meetings to Consider Special Assessments and Certain Increases in Annual Assessments.** Notwithstanding any other provision hereof or of the Articles, Bylaws or Association Rules, written notice of any meeting called for the purpose of: (a) approving the establishment of any Special Assessment, as required by Section 6.5 hereof; or (b) approving any increase in the Maximum Membership Assessment greater than that permitted by Section 6.3.1(b), shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days prior to the date of said meeting. At the first meeting thus called to consider the particular Special Assessment or increase in the Maximum Membership Assessment, a quorum shall consist of sixty percent (60%) total voting power of Members (whether represented in person or by valid proxy), provided, however, that if a quorum, as so determined, is not present at said first meeting, a second meeting may be called (subject to the same notice requirements as set forth above) to consider the same issue, and a quorum at said second

ARTICLE 9 GENERAL PROVISIONS

9.1. **Enforcement.** The Association or any Owner shall have the right to enforce the Project Documents. In addition to such other rights provided elsewhere herein, the Association shall have the right to enforce any of the rules and regulations of the Association and the obligations of any Owner or Resident under this Declaration or any provisions of the Association's Articles of Incorporation or Bylaws:

(i) by assessing a reasonable fine against such Owner or Resident, which said fine shall be enforceable as an Assessment;

(ii) recording a Notice of Violation or Noncompliance against Owner's property in compliance with Section 9.5 hereof;

(iii) suspending the right of such Owner or Resident to use Association Property: (1) for any period during which an Assessment remains delinquent, (2) for a period not to exceed 60 days for any infraction of the Project Documents, or (3) for successive 60 day periods if any such infraction is not corrected during any preceding suspension period; or,

(iv) suspending the right of such owner to vote at meetings of the Association, provided that such voting suspension may not be imposed for a period longer than thirty (30) days per violation.

No penalty may be imposed under this Section until the Owner or Resident accused of any such violation has been afforded the right to be heard in person, by submission of a written statement, or through a representative at any such hearing. The Association may also take judicial action against any Owner or Resident to enforce complaints with such rules, regulations or other obligations or to obtain damages for violation, all to the extent permitted by law.

9.2. **Term; Method of Termination.** Unless terminated in accordance with this Section, this Declaration shall continue in full force and effect for a term of twenty (20) years from the date this Declaration is Recorded, after which time this Declaration shall be automatically extended for successive periods of ten (10) years each. This

Declaration may be terminated at any time if such termination is approved by the affirmative vote or written consent, or any combination thereof, of Members holding ninety percent (90%) or more of the votes in the Association. If the necessary votes and consents are obtained, the Board shall cause to be Recorded a Certificate of Termination, duly signed by the President or Vice President and attested by the Secretary or Assistant Secretary of the Association, with their signatures acknowledged. Thereupon this Declaration shall have no further force and effect, and the Association shall be dissolved pursuant to applicable law.

9.3. **Rules and Regulations.** In addition to the right to adopt rules and regulations on the matters expressly mentioned elsewhere in this Declaration, the Association shall have the right to adopt, as part of the Association Rules, additional rules and regulations with respect to any other aspects of the Association's rights, activities and duties, provided said additional rules and regulations are not inconsistent with the provisions of the other Project Documents.

9.4. **Notices.** If notice of any action or proposed action by the Board or any committee or of any meeting is required by applicable law, the Project Documents or resolution of the Board to be given to any Owner, Lessee or Resident then, unless otherwise specified in the Project Documents or in the resolution of the Board, or unless otherwise required by law, such notice requirement shall be deemed satisfied if notice of such action, proposed action or meeting is published once in any newspaper in general circulation within Mohave County. This Section shall not be construed to require that any notice be given if not otherwise required and shall not prohibit satisfaction of any notice requirement in any other manner.

9.5. **Notice of Violation or Noncompliance.** The Association shall have the right to Record a written notice of a violation or noncompliance by any Owner or Occupant of any restriction or provision of the Project Documents. The notice shall be executed and acknowledged by an officer of the Association and shall contain substantially the following information: (a) the name of the Owner or Occupant; (b) the legal description of the Lot or Parcel against which the notice is being Recorded; (c) a brief description of the nature of the violation or noncompliance; (d) a statement that the notice is being Recorded by the Association pursuant to this Declaration; and (e) a statement of the specific steps which must be taken by the Owner or Occupant to cure the violation or noncompliance. Recordation of a notice of violation or noncompliance shall serve as a notice to the Owner and Occupant, and to any subsequent purchaser of the Lot or Parcel, that there is such a violation or noncompliance. If, after the Recordation of such notice, it is determined by the Association that the violation or noncompliance referred to in the notice does not exist or that the violation or noncompliance referred to in the notice

has been cured, the Association shall Record a notice of compliance which shall state the legal description of the Lot or Parcel against which the notice of violation or noncompliance was recorded, the Recording data of the notice of violation or noncompliance, and shall state that the violation or noncompliance referred to in the notice of violation or noncompliance has been cured or, if such be the case, that it did not exist. Notwithstanding the foregoing, failure by the Association to Record a notice of violation or noncompliance shall not constitute a waiver of any existing violation or noncompliance or evidence that no violation or noncompliance exists. If, after the recording of the Notice of Violation or Noncompliance, the violation or noncompliance has not been cured, the Association shall have the right, upon not less than twenty-four (24) hours prior written notice, to enter upon any Lot for the purpose of curing the violation or noncompliance, including but without limitation, removal of any unauthorized improvements and restoration of the premises, removal of any unauthorized personal property and placing the same in storage at the expense of the defaulting Owner, repainting the exterior of any building which has been painted in an unapproved manner of color, replacement of any trees, or other vegetation which has died or been removed without approval and cleaning up any unsightly material or debris upon any Lot. Any such entry by or at the direction of the Association shall not be deemed a trespass. Any expenses incurred by the Association through the exercise of the right of entry to enforce the Declaration shall be enforceable as an assessment against the Lot enforced as a lien.

9.6. Amendments.

9.6.1. Except for amendments made pursuant to Subsections 9.6.2 or 9.6.3 of this Declaration, this Declaration may only be amended by the written approval or the affirmative vote, or any combination thereof, of Members holding not less than sixty-seven percent (67%) of the voting power in the Association.

9.6.2. Either the Board or the Declarant may amend this Declaration, without obtaining the approval or consent of any Owner, Mortgagee or other Person, in order to conform this Declaration to the requirements or guidelines of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Administration, the Veterans Administration or any federal, state or local governmental agency whose approval of the Project or the Project Documents is required by law or requested by the Declarant.

9.6.3. So long as the Declarant is entitled to cast at least sixty-seven percent (67%) of the votes in the Association, the Declarant may amend this Declaration without the consent or approval of any other Owner or other Person.

9.6.4. So long as the Declarant or any Declarant Affiliate owns any Lot, Parcel or other portion of the Property, or any portion of the Additional Property, no amendment to this Declaration shall be effective unless approved in writing by the Declarant (or unless the Declarant expressly waives in writing its right to approve such amendments).

9.6.5. Any amendment approved pursuant to Subsection 9.6.1 of this Declaration or by the Board pursuant to Subsection 9.6.2 of this Declaration shall be signed by the President or Vice President of the Association and shall be Recorded. Any such amendment shall certify that the amendment has been approved as required by this Section. Any amendment made by the Declarant pursuant to Subsections 9.6.2 or 9.6.3 of this Declaration shall be executed by the Declarant and shall be Recorded.

9.7. **Amendments Affecting Declarant Rights.** Notwithstanding any other provision of this Declaration to the contrary, no provision of this Declaration (including but not limited to, this Section) which grants to or confers upon the Declarant or upon any Declarant Affiliate any rights, privileges, easements, benefits or exemptions (except for rights, privileges, easements, benefits, or exemptions granted to or conferred upon Owners generally) shall be modified, amended or revoked in any way, so long as the Declarant, any Declarant Affiliate or a trustee for the benefit of the Declarant or any Declarant Affiliate owns any portion of the Property, without the express written consent of the Declarant.

9.8. **Interpretation.** Except for judicial construction, the Association shall have the exclusive right to construe and interpret the provisions of this Declaration. In the absence of any adjudication to the contrary by a court of competent jurisdiction, the Association's construction or interpretation of the provisions hereof shall be final, conclusive and binding as to all Persons and property benefitted or bound by this Declaration.

9.9. **Severability.** Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other provisions hereof.

9.10. **Perpetuities.** If any of the covenants, conditions, restrictions or other provisions of this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of the person holding the office of President of the United States on the date this Declaration is Recorded.

9.11. **Change of Circumstances.** Except as otherwise expressly provided in this Declaration, no change of conditions or circumstances shall operate to extinguish, terminate or modify any of the provisions of this Declaration.

9.12. **Laws, Ordinances and Regulations.** The covenants, conditions and restrictions set forth in this Declaration and the provisions requiring Owners and other Persons to obtain the approval of the Board or the Architectural Committee with respect to certain actions are independent of the obligation of the Owners and other Persons to comply with all applicable laws, ordinances and regulations, and compliance with this Declaration shall not relieve an Owner or any other Person from the obligation also to comply with all applicable laws, ordinances and regulations. Any violation of any state, municipal or local law, ordinance or regulation pertaining to the ownership, occupation or use of any property within the Property is hereby declared to be in violation of this Declaration and subject to any or all of the enforcement proceedings set forth herein.

9.13. **References to this Declaration in Deeds.** Deeds to and instruments affecting any Lot or Parcel or any other part of the Project may contain the covenants, conditions and restrictions herein set forth by reference to this Declaration; but regardless of whether any such reference is made in any deed or instrument, each and all of the provisions of this Declaration shall be binding upon the grantee Owner or other Person claiming through any instrument and his, her or its heirs, executors, administrators, successors and assigns.

9.14. **Gender and Number.** Wherever the context of this Declaration so requires, any word used in the masculine, feminine or neuter genders shall include each of the other genders, words in the singular shall include the plural, and words in the plural shall include the singular.

9.15. **Captions and Title; Section References; Exhibits.** All captions, titles or headings of the Articles and Sections in this Declaration are for the purpose of reference and convenience only and are not to be deemed to limit, modify or otherwise affect any of the provisions hereof or to be used in determining the meaning or intent thereof. References in this Declaration to numbered Articles, Sections or Subsections, or to lettered Exhibits, shall be deemed to be references to those paragraphs or Exhibits so numbered or lettered in this Declaration, unless the context otherwise requires. Any Exhibits referred to in this Declaration are hereby incorporated herein by reference and fully made a part hereof.

9.16. **No Partition.** No Person acquiring any interest in the Property or any part thereof shall have a right to, nor shall any person seek, any judicial partition of the

Common Area, nor shall any Owner sell, convey, transfer, assign, hypothecate or otherwise alienate all or any of such Owner's interest in the Common Area or any funds or other assets of the Association except in connection with the sale, conveyance or hypothecation of such Owner's Lot or Parcel (and only appurtenant thereto), or except as otherwise expressly permitted herein. This Section shall not be construed to prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring or disposing of title to real property (other than disposition of title to the Common Area, which shall be subject to Section 4.1) which may or may not be subject to this Declaration.

9.17. **Property Held in Trust.** Except as otherwise expressly provided in this Declaration, any and all portions of the Property (and of the Additional Property) which are now or hereafter held in a subdivision or similar trust or trusts (or similar means of holding title to property), the beneficiary of which trusts is the Declarant or a Declarant Affiliate, shall be deemed for all purposes under this Declaration to be owned by the Declarant or such Declarant Affiliate, as applicable, and shall be treated for all purposes under this Declaration in the same manner as if such property were owned in fee by the Declarant or such Declarant Affiliate, as applicable. No conveyance, assignment or other transfer of any right, title or interest in or to any of such property by the Declarant or any such Declarant Affiliate to any such trust (or the trustee thereof) or to the Declarant or any such Declarant Affiliate by any such trust (or the trustee thereof) shall be deemed for purposes of this Declaration to be a sale of such property or any right, title or interest therein.

9.18. **Number of Days.** In computing the number of days for purposes of any provision of this Declaration or the Articles or Bylaws, all days shall be counted including Saturdays, Sundays and holidays; provided however, that if the final day of any time period falls on a Saturday, Sunday or legal holiday, then the final day shall be deemed to be the next day which is not a Saturday, Sunday or legal holiday.

9.19. **Disclaimer of Representations.** Notwithstanding anything to the contrary herein, neither the Declarant nor any Declarant Affiliate makes any warranties or representations whatsoever that the plans presently envisioned for the complete development of the Project can or will be carried out, or that any real property now owned or hereafter acquired by the Declarant or by any Declarant Affiliate is or will be subjected to this Declaration, or that any such real property (whether or not it has been subjected to this Declaration) is or will be committed to or developed for a particular (or any) use, or that if such real property is once used for a particular use, such use will continue in effect. While neither the Declarant nor any Declarant Affiliate believes that any of the restrictive covenants contained in this Declaration is or may be invalid or unenforceable for any

reason or to any extent, neither the Declarant nor any Declarant Affiliate makes any warranty or representation as to the present or future validity or enforceability of any such restrictive covenant. Any Owner acquiring a Lot or Parcel in reliance on one or more of such restrictive covenants shall assume all risks of the validity and enforceability thereof and by accepting a deed to the Lot or Parcel agrees to hold the Declarant and all Declarant Affiliates harmless therefrom.

9.20. Bulk Service Agreements.

9.20.1. The Board, acting on behalf of the Association, shall have the right, power and authority to enter into one or more Bulk Service Agreements with one or more Bulk Providers (each of which terms is defined below), for such term(s), at such rate(s) and on such other terms and conditions as the Board deems appropriate, all with the primary goals of providing to Owners and Occupants of Lots, Parcels or both within the Property, or within one or more portions thereof, cable television, community satellite television or other electronic entertainment, information or communication services: (a) which might not otherwise be generally available to such Owners and occupants; (b) at rates or charges lower than might otherwise generally be charged to Owners and Occupants for the same or similar services; (c) otherwise on terms and conditions which the Board believes to be in the interests of Owners and Occupants generally; or (d) any combination of the foregoing.

9.20.2. If all Lots and Parcels within the Property are to be served by a particular Bulk Service Agreement, the Board shall have the option either to: (a) include the Association's costs under such Bulk Service Agreement in the budget for each applicable fiscal year and thereby include such costs in the Annual Assessments for each such applicable year; or (b) separately bill to each Owner his, her or its proportionate share of the Association's costs under such Bulk Service Agreement (as reasonably determined by the Board, and with such frequency as may be determined by the Board, but no more often than monthly). If not all Lots and Parcels within the Property will be served by a particular Bulk Service Agreement the Board shall have only the billing option described in clause (b) above.

9.20.3. The Declarant, for each Lot and Parcel, hereby covenants and agrees, and each Owner other than the Declarant, by becoming the Owner of a Lot or Parcel, is deemed to covenant and agree, to pay all amounts levied or charged against or to him, her or it (or his, her or its Lot or Parcel) by the Board pursuant to this Section, and all such amounts: (a) shall be deemed to be a part of the Assessments against the Lots or Parcels against or to which they are levied or charged (or against or to whose Owners they are levied or charged); (b) with interest, late charges and all costs, including but not

limited to reasonable attorney's fees, incurred by the Association in collecting or attempting to collect delinquent amounts, shall be secured by the lien for Assessments established by this Declaration; and (c) as with other Assessments, shall also be the personal obligation of each Person who was an Owner of the Lot or Parcel at the time such amount became due (which personal obligation for delinquent amounts shall not pass to the successors in title of the Owner unless expressly assumed by them unless title is transferred to one or more such successors for purposes of avoiding payment of such amounts or other Assessments or is transferred to a Person controlling, controlled by or under common control with the Owner transferring title).

9.20.4. No Owner of a Lot or Parcel covered by a Bulk Service Agreement shall be entitled to avoid or withhold payment of amounts charged by the Board to such Owner or such Owner's Lot or Parcel under this Section, whether on the basis that such Owner does not use, accept or otherwise benefit from the services provided under such Bulk Service Agreement, or otherwise. However, the Board shall have the right, at its option, to exempt from payment of such amounts any Lot or Parcel upon which no Residential Lot or Parcel or other building has been completed.

9.20.5. "Bulk Provider" means a private, public or quasi-public utility or other company which provides, or proposes to provide, cable television, community satellite television or other electronic entertainment, information or communication services to Lots, Parcels or both within the Property, or within one or more portions thereof, pursuant to a "Bulk Service Agreement" (as defined below).

9.20.6. "Bulk Service Agreement" means an agreement between the Association and a Bulk Provider pursuant to which the Bulk Provider would provide cable television, community satellite television or other electronic entertainment, information or communication services to Lots, Parcels or both with the Property, or within one or more portions thereof.

9.20.7. During the Period of Declarant Control, the Board shall not, without the approval of Members holding at least fifty-one percent (51%) of all Class A votes represented in person or by proxy at an annual or special meeting of the Members of the Association, enter into a Bulk Service Agreement which imposes on the Association or its Members (other than Declarant or a Developer which, in either case, agrees in writing thereto) any obligation to pay the direct costs of construction of any cables, lines or other facilities or equipment for any such cable television, community satellite television or electronic entertainment, information or communication services, but nothing in this Section shall prevent the Board from entering into, or require approval by the Members of, any Bulk Service Agreement which imposes on the Association or its

Members installation, connection, service charge or similar charges or fees which do not exceed those generally prevailing at the time within the greater Lake Havasu City, Arizona, area, or which includes as a component of the monthly fee charged by the Bulk Provider amortization of some or all of its capital costs and related costs in providing services under the Bulk Service Agreement.

ARTICLE 10 NON-RESIDENTIAL PARCELS

10.1. Annexation of Non-Residential Parcels. The Declarant shall have the right, at its option, exercisable from time to time at any time prior to December 31, 2030, to annex to the Property one or more portions of the Additional Property pursuant to Section 2.3 but, in the written instrument annexing the same to the Property, or in a separate Village Declaration Recorded at the time of such annexation or thereafter, to designate the property so annexed as a Non-Residential Parcel. Any Non-Residential Parcel so annexed to the Property shall be deemed to be fully a part of the Property, and such Non-Residential Parcel and each Owner and Occupant thereof shall be deemed to be fully subject to this Declaration and all of the Project Documents, except as provided in this Article 10 and except as provided in a Village Declaration Recorded with respect to such Non-Residential Parcel in accordance with this Article 10. The Declarant shall have no obligation to annex to the Property any portions of the Additional Property (including, without limitation, any portions thereof which are used, or in the future may be used, for non-residential purposes), and the Declarant has made no representation or warranty that it will do so. Portions of the Additional Property may be developed and used for any purposes permitted by applicable law and applicable zoning (including, but not limited to, non-residential purposes) without being annexed to the Property or otherwise subjected to this Declaration or other Project Documents. Without limiting the generality of the provisions of this Section 10.1, it is the Declarant's intent, in reserving to itself the rights, options and privileges in this Article 10, to permit itself the latitude and flexibility to include within the Property parcels devoted to non-residential uses and purposes where, in the Declarant's judgment, doing so would promote the consistent development and maintenance of property in and about the Project, including without limitation Common Areas, drainage channels and facilities, and other open space and greenbelt areas, while at the same time limiting, to the extent appropriate in the Declarant's judgment, the effect on such Parcels of provisions of this Declaration and of the other Project Documents more suited for application to residential properties.

10.2. Application of Project Documents. The Declarant may, in the Village Declaration Recorded with respect to a Non-Residential Parcel, fully exempt that Non-Residential Parcel from such provisions of this Declaration and the other Project

Documents as the Declarant sees fit, or modify the effect on that Non-Residential Parcel of one or more provisions of this Declaration and the other Project Documents in such manner and to such extent as the Declarant sees fit. Further, and without limiting the generality of the foregoing, except as and to the extent otherwise expressly provided in the Village Declaration Recorded with respect to a Non-Residential Parcel, the provisions of Articles 5, 6 and 7 of this Declaration shall not apply to that Non-Residential Parcel. The Declarant may, at its option, provide in the Village Declaration Recorded with respect to a Non-Residential Parcel for alternative, substitute or modified use restrictions, architectural controls and other provisions relating to the use and development of that Non-Residential Parcel. The Declarant may also, in the Village Declaration Recorded with respect to a Non-Residential Parcel, establish the types and amounts, if any, of Assessments to which such Parcel and its Owner(s) will be subject (or the formula by which such Assessments will be determined, and any formula with respect to, or limits on, increases in such Assessments), and may also, in that Village Declaration, establish the number of Memberships and votes (if any) to which the Owner(s) of that Parcel will be entitled (and any limitations or restrictions on the right of such Owner(s) to cast such votes). In addition, the Declarant may, in the Village Declaration Recorded with respect to a Non-Residential Parcel, impose additional or alternative restrictions or limitations on the rights of the owner(s) or Occupant(s) of that Non-Residential Parcel (and their respective guests, invitees, employees and customers) to use and enjoy the Common Area or any portion(s) thereof.

IN WITNESS WHEREOF, Declarant has executed this instrument as of the date first set forth above.
