

CUBA PREDICA/PREACH CUBA

I am writing to make a special plea for support for our recently established program, **PREDICA CUBA**, that is working with our current **ESTUDIOS BÍBLICOS INTERNACIONALES** (EBI) program (please visit our website at www.ebienlinea.com).

During the course of our work in Cuba, we have discovered an alarming trend happening throughout the brotherhood. Cuban preachers are having to work 50-60 hours a week just to buy basic necessities to live with very little time to evangelize and work in the church outside of the Sunday morning service.

Because of this, Churches in Cuba are in decline.

Through our course of biblical studies, we have found 12 Gospel Preachers willing to preach and minister full-time for the work of the Lord in Cuba. Because of the economic situation in Cuba, we can fully support a minister for just \$125/month. This will allow each minister to devote 40-50 hours a week, plus Sunday services in full time work for the Kingdom.

We already have committed support for 7 of our ministers along with a commitment for 2 more later next year.

This program is sponsored by the First Street Church of Christ in Lampasas, Texas. We pray that you will join our team in supporting a minister. Whether you can fully support a full-time minister, or partially support a minister, all help will be greatly appreciated and used to further the Kingdom.

Your contribution can be sent directly to the First Street Church of Christ at the address below. Please indicate "Cuban Ministers" or "Cuba Predica" on your check or envelope. Or, your support can be paid online. Please contact us for more information.

Your support will be assigned to a specific minister and you will receive monthly updates on the work of this servant of the Lord.

Thank you and we look forward to your support. Please let us know if you would like more information.
