2022 Monument Catalog.

Designs that are truly personal.

About Splendid International.

Splendid International USA Corporation is a leading provider of natural stone products for the monument industry. With nearly 30 years of industry experience, along with our global strategic partners and our company-owned production and packaging facilities, we are able to source the best quality stones for your customers' needs.

Translated, this means you deal directly with us, the manufacturer, to receive the highest quality products priced to fit your budget.

Additionally, our factories adhere to a stringent Standardization Qualitative Control System that consists of multi-stage quality control and assurance processes. This System ensures that you receive the highest and most consistent product quality with every order.

Our U.S. offices are based in Kent, Wash. to better serve our North America customers – providing best-in-class support for all your Sales and Customer Service needs.

From the inquiry phase to producing and shipping your order, Splendid International has you covered.

Why Splendid International?

Factories: Company-owned production and packaging factories

Savings: Quarry-direct pricing of up to 10% savings means your order begins and ends with us. There are no middlemen or 3rd party costs

Quality: Our onsite quality control measures ensure you'll receive the highest and most consistent product quality with every order

Stone Supply: We have direct access to natural stone quarries

Product Guarantee: We stand behind our products --
100% product satisfaction guarantee

Quick Quotes: Within 48 hours

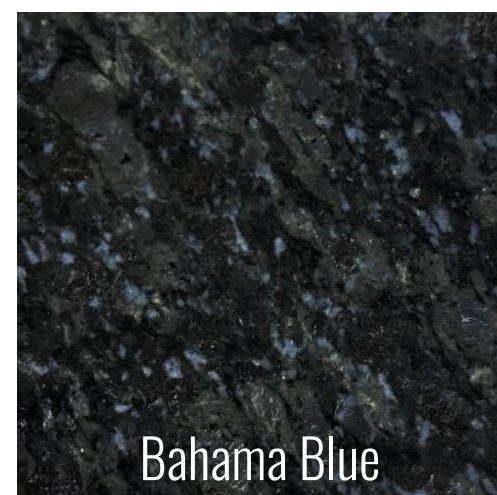

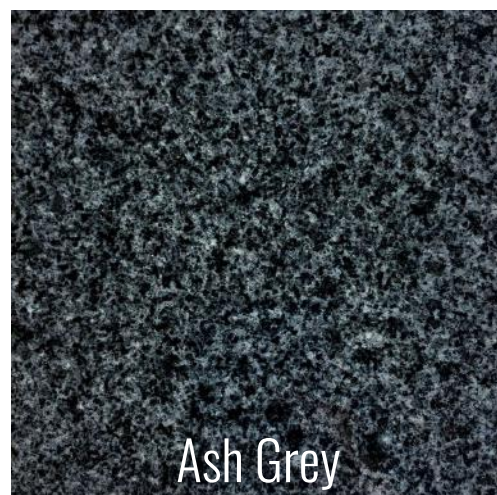

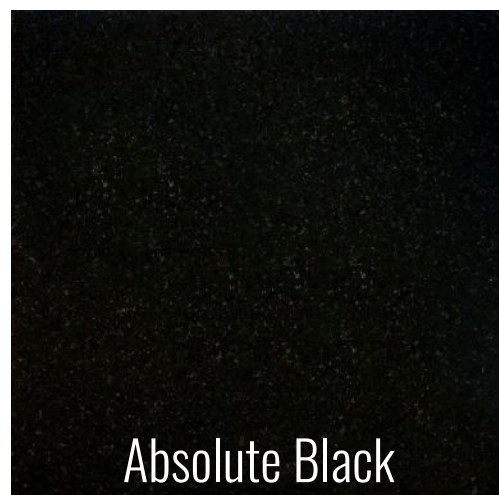

Fast Turnaround: 6 to 8 weeks delivery from order confirmation

Best-In-Class Support: Kent, Wash.-based offices provide timely Customer Service assistance

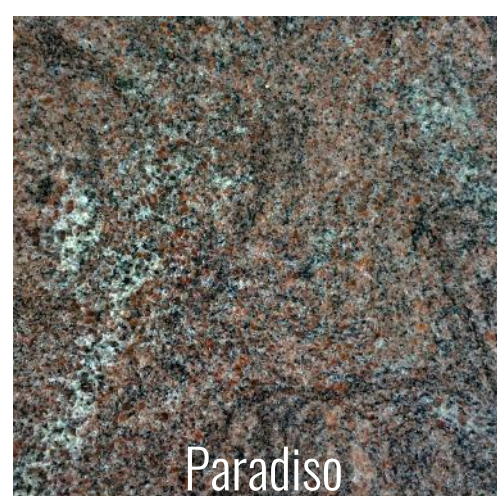

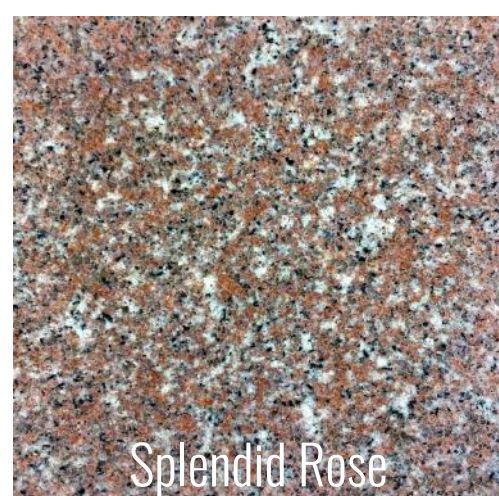

Low Rates: Due to our business volume, we can offer low shipping rates, inclusive of freight, processing and duty fees

Large Inventory: Many stone and color selections to choose from due to ample supplies at our quarries
