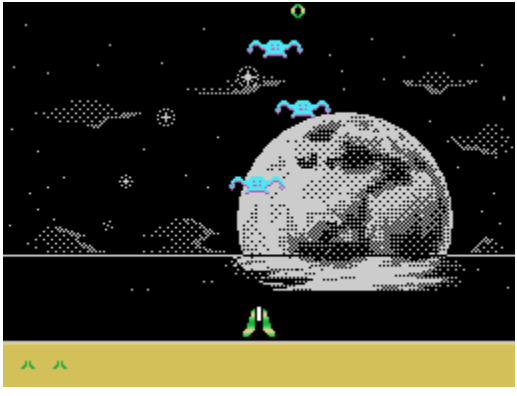
DEMON ATTACK
THE NEXT WAVE

Destroy you!

That's what this new wave of Space Demons aim to do. Blast'em and survive. But each demon is tougher to destroy. These strange interplanetary foes are tricky. When hit some split in two. All are replaced by even more attackers.

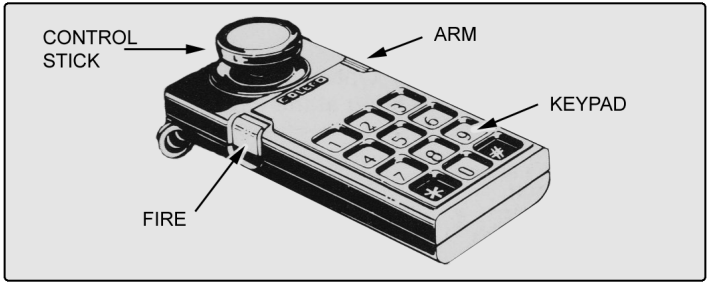


Can you beat The Next Wave?

With each wave the danger increases. Wave after wave of cosmic creatures attack you from above. Just when you've destroyed one gang of galactic monsters, another horde hits you with a whole new assault strategy.

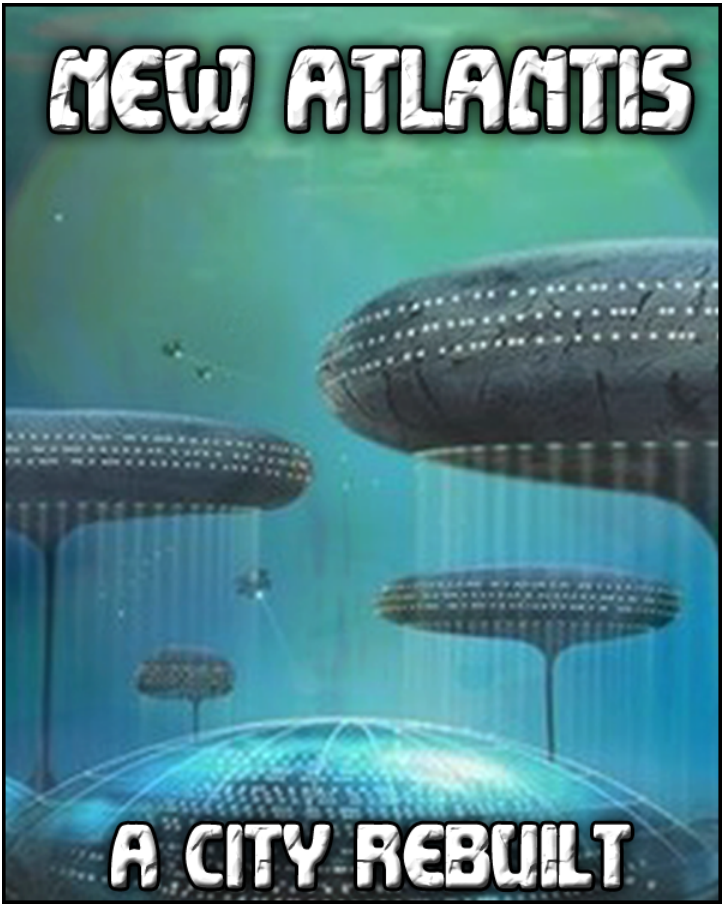
If you can't beat the demons from alien worlds you can always beat your own score!

How to Play



- At the game selection screen, press Fire to play with background image, press ARM to play with no background image
- Press, “1, “2” or “3” to select the skill level to play
- Use the control stick to move your cannon to avoid the demons, lasers and bombs
- Press fire to shoot and destroy the demons before they destroy you
- Watch out in later levels the demons will split into smaller demons when shot
- When you die press “0” on the keypad to restart the game

High Scores



NEW ATLANTIS
A CITY REBUILT

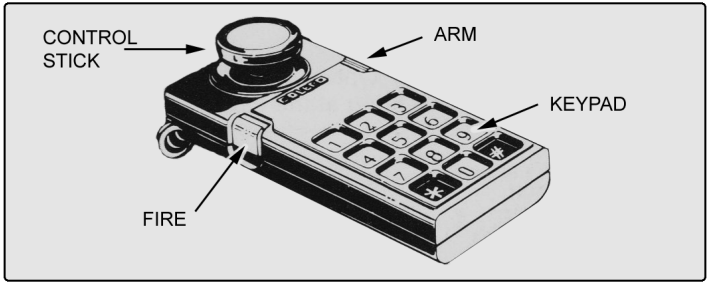
The lost city of Atlantis has been rebuilt, better than ever, and now only you can save one of the greatest civilizations man has ever known. You command two defense posts and a sentinel to guard the skies from the dreaded Gorgon Fleet as it descends on Atlantis, you must destroy them – or perish!

Can you defend the submerged city of Atlantis?

The longer you last the faster they come. Some enemy ships fly slowly but steadily over Atlantis. Others streak across the sky. The Gorgons never rest, attacking day and night.

You must defeat all of these ships before they destroy everything that is Atlantis.

How To Play



- At the game selection screen, press Fire to play with day, evening, night and morning cycles, press ARM to play with just day time
- Press, “1, “2” or “3” to select the skill level to play
- Use the controller to aim the cross hair then press Fire to shoot from the left gun, Arm to shoot from the right gun
- Press “1” to launch the sentinel then use the controller to maneuver it, press Fire and Arm to shoot left or right. Be sure to be over the landing pad before you run out of fuel
- When you die press “0” on the keypad to restart the game
