

Welcome to Sand and Sip Rustic Wood Workshop!

We are super excited to host you, and your friends and family!

Here are a few things I like to let everyone know to ensure you have a fantastic time.

- *Please wear comfortable shoes. We have mats but the floor in the barn is concrete.
- * Dress in layers. We have a small heater to keep everyone comfortable but as you start sanding some people get warm and layering will ensure you are comfortable In the winter months we are on the heated side of the barn..
- * If you have long hair please bring something to pull it back with. No worries if you forget I have plenty.
- * You can bring your own food and drink. We have a refrigerator to keep things cold. And can also keep things warm if you need it.
- * If the weather permits you can enjoy our fire pit while your projects dry.
- * If someone is sick or has been exposed please have them stay home or you can reschedule if needed.
- *Plan on 3-4 hours depending on how much fun your having it sometimes it may take longer especially if have 6-8 people in your workshop.
- *Everyone will get to pick their own project and wood for their project. We provide everything needed to finish your project.
- *We are located at 9258 Duncan Plains Rd, Johnstown OH 43031

We accept Cash, Check, Venmo, Visa, MasterCard Discover and American Express
