Instructions

Accessing Amenities at The Villages

To enjoy the array of amenities offered at The Villages, guests must carry an ID Card. This card grants access to facilities such as swimming pools, golf courses, pickleball courts, and various recreational activities and classes.

As your host, we can streamline the process by preparing passes in advance for convenient pickup at The Villages Sales Office nearest to your rental home. There is a nominal fee of \$50 per couple, payable directly to The Villages via check or cash upon collection of the cards.

To expedite the issuance of your passes, kindly provide us with the following details:

- Full Names
- Phone Numbers
- Email Addresses
- Home Address

This information is best to be provided to The Village People Property Management prior to your arrival so your cards will be ready when you get here. Should you prefer to obtain the passes after arrival, please note that there will be a processing time of 24-48 hours.

Each rental allows for two individuals to apply for Rental ID cards (also known as Temporary Resident IDs). Additional guests must accompany the cardholder to any Regional Recreation Center. The cardholder will present their Rental ID Pass, and guests will be required to complete a form providing their address, birthdate, home address, and dates of stay. There is no charge for Guest ID Cards.

Once obtained, these passes grant access to all activities within The Villages. Please note that while access to the 18-hole Championship golf courses incurs a fee per round, the numerous 9-hole Executive courses require a small trail fee ranging from \$4 to \$8.

Duration of Temporary Residents and Guest IDs

Temporary Residents IDs issued for rental properties at The Villages do not have a specified expiration date; they remain valid for the duration of your stay at the rental property. On the other hand, Guest IDs must be renewed every 30 days at no additional cost.

Private Pools

In addition to the extensive range of free pools available in The Villages, including Adult, Family, and Sports pools, there are a select few private Country Club Pools that require an additional fee for access. The fee varies depending on the length of your stay, so we advise inquiring directly for specific pricing details.

Fitness Options at The Villages

In addition to its array of amenities, The Villages offers approximately four indoor gyms for use on a pay-as-you-go basis or with a monthly pass. Rates vary per gym, so we recommend inquiring directly for the most up-to-date information.

For those who prefer outdoor exercise, there are also several outdoor areas equipped with exercise equipment available at no cost. These outdoor spaces provide an excellent opportunity to stay active amidst the beautiful surroundings of The Villages.

The Villages® Tee Time system is designed to give all the residents fair and equal opportunities to obtain Tee Times. This is made possible through a points system, where each golfer is assigned a point every time they receive a Tee Time. It is NOT a first-come-first-served system. Golfers with the fewest points are assigned reservations ahead of those with more points. Points are based on a rolling 7 day basis from the night the system is assigning Tee Times. Additionally it is set up to accommodate the active lifestyle of our residents. The system is available to you 23 hours a day 7 days a week (the system is off line from midnight to 1:00AM daily). Tee Times are assigned 3 days in advance of the day of play. Within 3 days, you may claim an open Tee Time through the system (option 3). On the day of play, you must call the golf course to obtain a Tee Time. If you wish to learn more about the Tee Time system and how to make the most out of your Tee Time request, we suggest attending our complimentary Good Golf School and/or pick up a copy of "Golfing in The Villages" at any of the Country Clubs. You may register for Good Golf School by calling our Tee Time office at 750-4558, or visiting Golfing in the Villages on golfthevillages.com
