Dear PS 151Q Parents and Guardians,

I hope you and your children have had a restful and joyful Winter Break.

As we look ahead to the coming days, New York City Public Schools will determine whether snowstorm conditions require a school closure on Monday, February 23, 2026. We hope to remain open for in-person learning; however, in the meantime, we are being proactive in planning a potential remote learning day in the event that schools must close due to weather conditions.

To support this planning, PS 151Q will be open tomorrow, Sunday, February 22, 2026, from 8:00 AM to 10:00 AM for families whose children need to borrow a device for remote learning.

If you anticipate picking up a loaned device, please complete the form linked below so that we can prepare the device in advance and ensure a smooth and efficient process for all families.

Thank you for your partnership and your continued support in keeping our students learning safely under all conditions. Please stay warm and take good care.

Sincerely,

Dr. Samantha B. Maisonet Principal, PS 151Q
