- P.S.151Q School Year 2025 - 2026 School Cellphone/Electronic Device Policy has been **approved**. The policy has been implemented so far with no issues
- Review and discuss any resources and guidance that support this year's Comprehensive Education Plan (CEP). Dr. Maisonet shared data that was finalized for this school year and explained the CEP process.
- Dr. Maisonet reviewed school survey results with SLT members. Our school did well in terms of the quality of instruction and the safety of our students. The School Survey Data is posted on the school website.
- Dr. Maisonet explained the Science State Exam results. This is the second year of the Science State Exam for students in 5th grade. The first year, it was brand new, and only 2 students passed the test out of the whole 5th grade. This year, 50% of our students

passed. Our students in 5th grade performed better than the 5th graders in the city, the state, and the district.

- Overall, P.S. 151 students had tremendous gains for ELA and Math scores. Within the past 13 years, we have made huge gains in almost every grade. We will continue working with our 5th graders.
- Attendance is an important part of students' success; therefore, Kids need to be in school every day.
- I-Ready is a tool that can help us predict where we will end up on the state exams, and Acadience is a reading diagnostic screener that tells us how K, 1, and 2 are performing. This screener is given three times a year.
- Naida will hold a Title I meeting on October 3, 2025, to review and discuss Title I updates.
- Schools will be closed on September 23rd and 24th in observance of Rosh Hashanah.
- We are waiting for the annual district meeting about the School Leadership Team.
- Parent/Teacher meetings tonight on Zoom.
- Our next meeting will be on October 1, 2025.
