iLearnNYC is an online learning portal designed to broaden and enhance your school's course offerings. It is available to all K-12 New York City schools.

You can use iLearnNYC to complete courses or projects, connect with students from other schools, and, if needed, recover credits. iLearnNYC courses include advanced placement (AP), world languages, electives, and more.

The best part about iLearnNYC is that you can complete coursework anytime, anywhere. You just need a computer and internet access.

The screenshot shows a web browser window with the URL `idm.nycenet.edu/students/confirm-submit.form`. The page header includes the NYC Department of Education logo and the text "Student Account Self Service". A progress bar at the top indicates four steps: "OSIS AND DOB" (completed), "USER NAME" (completed), "PASSWORD" (current step), and "SUCCESS" (pending). The main heading is "Enter New Password". Below the heading are three bullet points: "Passwords are required to be minimum 8 characters long.", "Pick a password that only you can remember.", and "Your password cannot contain: your last name, first name or username". There are two input fields: "New Password" and "Re-type New Password", both containing masked characters. A dark blue "Update Password" button is located at the bottom of the form.

- Then click

Update Password

You have successfully set your password.

- Click on the  button. Click on the  and input your username and newly created password.

The screenshot shows a web browser address bar with the URL `idm.nycenet.edu/students/chpwd.form`. The page header includes the NYC Department of Education logo and the text "Student Account Self Service". The main heading is "Find Your User Name and Reset Password". Below this is a progress bar with four steps: "OSIS AND DOB", "USER NAME", "PASSWORD", and "SUCCESS". The "PASSWORD" and "SUCCESS" steps are marked with checkmarks.
