The Original insulated drinkware

Est.
1946
USA

We're a third-generation family business, built on the shores of the Florida coast. We got our start when John C. Winslow found a pair of engineers turning plastic into insulated tumblers. Their names, Cotter and Davis, became ours — Tervis.

Embroidery

Choose the embroidery patch to showcase your club logo. The art of decorating fabric with needle and thread will give your logo or design a unique and high-end look.

Dimensions: 2.5" W

Color Options: Up to 10 thread colors

Enhanced Embroidery

Perfect for artwork with small copy and fine detail that cannot be reproduced with traditional embroidery. Our method of dye sublimation provides greater detail and color by printing directly on a woven fabric patch.

Dimensions: 2.5" W

Color Options: 1-4 spot colors OR 4-color process

Wrap

Wrap inserts can really bring your message to life by rounding out the entire design and giving the impact it deserves. Digitally printed on durable acetate film that allows for high resolution, full-color photo quality images and logos.

Dimensions: 360° (round)

Color Options: 1-4 spot colors OR 4-color process
