A Note From the President

To Our Honored Patrons,

Electric City Playhouse has been a part of the local arts community since 1984. We have been a nonprofit since the 90's and love being able to work in Anderson to help lift up our community. We have helped women receive feminine products with AIM, helped build with Habitat for Humanity, and helped raise money for the Cancer Association of Anderson to name a few.

You, as our patrons, are included in this. Supporting the arts helps support other parts of our community as well.

Here at ECP, we also love being able to showcase our local talent. The talent that I've seen come and go over the past decade is outstanding!

I am proud to serve this theater as their board President. Please join me as we build this beautiful piece of the upstate together in the arts for the future!

ABOUT THE SHOW

Heathers The Musical is the darkly delicious story of Veronica Sawyer, a brainy, beautiful teenage misfit who hustles her way into the most powerful and ruthless clique at Westerberg High: the Heathers. But before she can get comfortable atop the high school food chain, Veronica falls in love with the dangerously sexy new kid J.D. When Heather Chandler, the Almighty, kicks her out of the group, Veronica decides to bite the bullet and kiss Heather's aerobicized ass...but J.D. has another plan for that bullet.

Brought to you by the award-winning creative team of Kevin Murphy (Reefer Madness, "Desperate Housewives"), Laurence O'Keefe (Bat Boy, Legally Blonde) and Andy Fickman (Reefer Madness, She's the Man). Heathers The Musical is a hilarious, heartfelt, and homicidal new show based on the greatest teen comedy of all time. With its moving love story, laugh-out-loud comedy, and unflinching look at the joys and anguish of high school, Heathers is the one of the most popular musicals. Are you in, or are you out?
