# TOGETHER WE GO FAR

*This is just the beginning*

Firefly Aircraft Parts is able to offer its customers the most competitive price points in the industry. Furthermore, we ensure that special attention is paid to each and every order. Every order is carefully checked to ensure that proper documentation, traceability, and shipping details are provided.

## **Repair Management Services**

Firefly Aircraft Parts has partnered up with a select group of FAA and EASA approved repair facilities. This will help us provide repair services for a wide range of avionic, instrument, accessory, and engine components. Flat rate pricing, along with guaranteed turn times and extended warranties, are offered for both repairs and overhauls.

## **Consignment Services**

We offer both on-site and off-site consignment inventory management, sales, and marketing services. All inventory is maintained, segregated, and insured in a secure warehouse facility. At Firefly Aircraft Parts we take pride in our work and truly enjoy serving our customers. Our goal is to develop long-lasting relationships with our clients and provide support above and beyond their expectations.

**LOOKING FORWARD TO WORKING TOGETHER**
