	2 <sup>nd</sup> instruction	Read	Optional	50	100	

# Text Book

# TEXTBOOK (Regular)

This textbook is an integrated collection, made up of various kinds of tasks and activities as well as focused practices of vocabulary and grammar.

These practices enhance all of the four communicative skills: listening, speaking, reading and writing.

The interesting topics and situations discussed in the textbooks will enable learners to perform a wide range of communicative functions using the Korean language. Having the highest reputation in the Korean language education for more than 50 years, the KLI has compiled a large quantity of textbooks to enhance the quality of the Korean Language Education.

Recently, the demand for the Korean language has been increased by foreigners around the world as well as Koreans living out of the nation.

For this reason, the demands of the learners for textbooks have also become diverse.

Therefore, the KLI has published a new set of textbooks for the various learners to acquire the Korean Language and Korean culture.

# TEXTBOOK (Regular)
