

I'LL FLY AWAY

New lyrics by Walter Williams (c) 2021

When the day comes, when my life is ending. I'll fly away.
I will seek out, futures that are pending. I'll fly away.

CHORUS: I'll fly away, oh glory, I'll fly away.
I will sing halleluyah, by and by,
As I rise up in the sky, oh, I'll fly away.

Earthly powers, wealth and all possessions. They fly away.
All those things are, meaningless concessions. They fly away.

CHORUS: They fly away, oh glory. They fly away.
I will sing halleluyah, by and by,
As they rise up in the sky, oh, they fly away.

Pain and suf-fer-ing is gone, I now see. They fly away.
All my worries, of this world can leave me. They fly away.

CHORUS: They fly away, oh glory, they fly away.
I will sing halleluyah, by and by,
As they rise up in the sky, oh, they fly away.

I will see that, light on the horizon. I'm fly-ing away.
As I fly, the light's becoming my own. I'm fly-ing away.

CHORUS: I'm fly-ing away, to glory, I'm fly-ing away.
I will sing halleluyah, by and by,
As I rise up in the sky, oh, I'm fly-ing away.

As I hurtle, faster than the speed of light. I'm flying away.
Mind expanding, as I gain a new insight. I'm flying away.

CHORUS: I'm flying away, to glory, I'm flying away.
I will sing halleluyah, by and by,
As I rise up in the sky, oh, I'm flying away.

I will seek out, all my friends and loved ones. No longer far away.
Re-u-ni-ted, joyous celebrations. We've found the way.

CHORUS: We've flown away, to glory, We've flown away.
We will sing halleluyah, by and by,
As we rise up in the sky, oh, We've flown away.

Now I find, the total light astounds me. I'm far away.
Pain is gone, and joy is all that I see. I'm far away.

CHORUS: We've flown away, to glory, We've flown away.
We will sing halleluyah, by and by,
As we rise up in the sky, oh, We've flown away.

Now that my brief, time on earth is over. I'm gone away.
Do not mourn me, I'm in joy forever. I'm just gone away.

CHORUS: We've flown away, to glory, We've flown away.
We will sing halleluyah, by and by,
As we rise up in the sky, oh, We've flown away.

You can join us, and be back together. When you fly away.
It's not ending, just a new beginning. When you fly away.
Just sing,

CHORUS: We've flown away, to glory, We've flown away.
We will sing halleluyah, by and by,
As we rise up in the sky, oh, We've flown away.
