

ANGEL ON MY SIDE    by Walter L. Williams    2021 May

My heart is filled with wonder,  
    My spirit swells with pride,  
When I know there's an angel,  
    An angel on my side.

My angel is important,  
    In everything I do.  
I'm so very fortunate,  
    My angel, dear, is you.

You're certainly an angel,  
    Of this there is no doubt.  
Your love is something special,  
    I cannot be without.

This is the joy I've wanted,  
    Exactly, I confess,  
You spoil me with your kindness,  
    Compassion and finesse.

Your love is so inspiring,  
    Forgiving and so free,  
Exciting and exotic,  
    Especially for me.

If I can just enjoy you,  
    Accept your love as true,  
Then I'm in heaven knowing,  
    My angel, dear, is you.
