

PERFECT WORLD    lyrics by Walter Williams    karaoke music by Aqua    “Barbie World”

5-6    In a perfect world,    there would be no sorrow.

4-4    Not today and,    not tomorrow.

5-7    In a perfect world,    when everyone is easy,

4-5    Satisfied to,    not be so greedy.

5-6    In a perfect world, poverty would not be,

4-4    Such a problem,    sharing is key.

5-7    In a perfect world, if prejudice existed,

4-5    It would not grow,    would be resisted.

CHORUS:

If we want to give birth,    To a fantastic earth,

We can base it to say,    My life is mine.

We can get others too,    It is all up to you,

Together we'll act    For our freedom.

5-7    In a perfect world,    governmental warfare,

4-4    Does not exist,    no one would care.

5-7    In a perfect world, there is not any season,

4-5    To kill or die,    for any reason.

5-7    In a perfect world, authorities would not try,

4-4    To build prisons,    without outcry.

5-7    In a perfect world, people want their own bliss,

4-5    Peaceful actions,    and climate justice.

CHORUS:

If we want to give birth,    To a fantastic earth,

We can base it to say,    My life is mine.

We can get others too,    It is all up to you,

Together we'll act    For our freedom.

If you think, there's a link

To the problems you face,

Just recall, about all

Your reactions.

Who gives you, problems to,

That is who you must change;

Have a talk, take a walk,

To discuss it.

Just exchange, some ideas,

Try to make yourself clear,

Dialogue is what you aim for.

Let's get to it, let's go through it. Oo-oo ah-ah

You have to take action yourself. Oo-oo ah-ah

No excuses. Let's get to it now.
