PAW-SOME

Name: _____

Thank you for helping raise money for the animals at PCHS!

Each section of your paw print has a dollar amount inside it. To participate:

- Ask friends, family, coworkers, or community members to sponsor a section of your paw.
- Collect the amount listed in each section.
- Once that amount is collected, color in that section of the paw.
- Continue until your entire paw is colored in!
- Turn in your completed paw and collected donations to PCHS to help support the animals at PCHS and get your paw featured on our social media sites and hung up at the shelter.

Every dollar raised helps provide food, shelter, medical care, and love for animals in need. Thank you for your support!
