

Are you a Hospital, Clinic, Urgent Care, or other Medical Provider who get claims payments directly from insurance companies? Do you recover 10-20% of those payments? How about 20% or more? Take the 20% Recovery Audit Challenge with us!!! Set a Virtual appointment from the comfort of your office, conference room or wherever! This is a 1-hour free service to show you how we go about pursuing the 20% challenge for you, now and in the future. Our software will find significantly more underpayments regardless of your current Review and Recapture process. What's the results from your current process?
