

The Compassionate Carer

Presents Our

Carer Pledge

The Compassionate Carer is a community and resource for those giving care to the ones they love most, during the most difficult moments of their lives.

Being a carer is not easy, but no longer being able to care for yourself will prove to be just as hard.

Today we ask you to join us in the fight for better home health care for our elderly families and communities.

- Give care with passion.
- Continue to educate myself.
- Encourage Individuality and independence.
- Provide care with honest thoughts and good intentions
- Care for others as I would like to be cared for in the future.
- Provide necessary mental and emotional support.
- Provide a safe and friendly environment.

On this day _____ I, _____, have pledged to join The Compassionate Carer in the fight for better home health care for our elderly families and communities. I truly hope that our efforts inspire you to not only provide excellent care to your loved one but also take the pledge!
