

From the East

Brethren,

Very busy schedule ahead for Liberty Lodge. Don't forget the Special Needs Bowling at the AMF Lanes on Cortez Rd. this coming Saturday, Oct. 21. Then we have the Proficiency Demonstration at a called meeting on November 4. Standard lodge attire will be just fine. Don't forget that nominations and acceptance letters for the upcoming election of officers need to be on file with the Secretary, Br. Tom Haber, before 9:00AM on November 11, 2017. That date being our November stated meeting will also be the DDGM annual visit to our lodge. Dress for this occasion will be coat and tie. Finally, the annual election of officers will take place at our December 9 stated meeting. Only paid up members in good standing will be allowed to vote. We actively seek contributions to fatten up our treasury so donate as generously as you can. We are still seeking new members so if you know a current Mason who desires to belong to a daylight lodge then make sure they get either a Plural or Dual application to fill out. Contact me or the Secretary for the necessary forms. Of course, we are also accepting petitions from men desiring to become a Mason.

From the Secretary

My Brothers,

Let me make one last request for you to log in to your Circumscribe account and update your information. At our next Called Communication on Nov. 4th, I will bring my laptop computer and help anyone needing it to update their info. Soon, the Grand Lodge will be issuing dues cards based on your Circumscribe information. It needs to be correct.

From the West

My brothers,

Brothers, these have been strange and hard times for many of you. Glad to say that most everyone I talked with weathered out Hurricane Irma without any or little damage. Many of us took off for the hills, while many braved it out just like any rain storm. Most Masonic activities were put on hold then, but everything is back to normal. We are back to Business and our upcoming events are listed on this Trestleboard. During the down time a Facebook site to keep you informed was established, go to Liberty Lodge No. 412 in your search bar. Also our Web page has been started and is in the process of being shaped. You can see it meantime, our URL is www.Libertylodge412.com. Keep in mind our next few meetings. On November 11 we have our official DDGM visit. Hope all are well and we can plan on your presence during the next few meetings.

From the South

Hello Brothers,

September has passed quickly and most of us fared well from Hurricane Irma. Our Entered Apprentice Degree team is back working hard, and Br. Tom Haber is leading us as Degree Master. We have a full team and thanks to W.: George Vom Vorheis from Manatee 31 for helping fill in. Our Organist Don Kinnaird is back from the North and Liberty looks forward to his music during our Stated Meeting and degrees.

Brothers we are taught never to argue with a non-Mason about our Fraternity. One subject that has come up occasionally is about Religion. In our teachings of Masonic education, Freemasonry teaches monotheism and is religious in its character. Freemasonry is neither religion nor a creed and dictates to no man as to his beliefs, either religious or secular. Freemasonry is based on a firm belief in the Fatherhood of God, the Brotherhood of Man and the immortality of the Soul. One of the greatest things we are taught is tolerance towards the belief of others and charity toward all mankind.

See you in Lodge!

Masonic message of the month:

What we believe in and work for, determines in a large measure who and what we are. The lives of truly great men attest to this fact. Likewise, Masonry opens new horizons for those who will give it the attentive ear. the instructive tongue, and the faithful breast, and who are sensitive for the needs of others and willing to work as a cog in a mighty organization whose designs are honorable and far-reaching. We need, however, to strength that which we have. Our teachings must first be significant in the lives of our members before we can discern good effects which would naturally emerge from them.
