From the West

My brothers,

The year is flying fast my brothers. You will now see that I have finished creating the Liberty Lodge Web site: (www.libertylodge412.com). Please view it in all its glory. You will also find the links very handy.

If you have photos of the Lodge at work and want me to get them in, send them to me. The most up to date Lodge information I have created will always be on our Facebook site "Liberty Lodge No.412 Bradenton, Florida". The first time you get to it, you must request permission as this is a closed group. During the last month, members of our Lodge have been busy doing their parts in other Lodge degrees, Scottish Rite, York Rite, Shrine and Special Olympics.

In November we have Nominations for officers, Elections in December, Installation should be on January 6 at 10 AM. I think it important for members to come out for all of this. We are always looking to make the Lodge better and encourage you to spread the word. We want new members and trestleboard sponsors. Always let us know how we can make this Lodge better and try to come out more.

"If"

If you can keep your head when all about you;
Are losing theirs and blaming it on you,
If you can trust yourself when all men doubt you,
But make allowance for their doubting too.
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated, don't give way to hating,
And yet don't look too good, nor talk too wise:

If you can dream—and not make dreams your master;
If you can think—and not make thoughts your aim;
If you can meet with Triumph and Disaster,
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools:

If you can make a heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it.

And—which is more, **you'll be a Man, my son!**
