

# DISCOVERY EDUCATION

# BTEC CONSTRUCTION

Here at Discovery, our ethos is simple; children and young people deserve our best, allowing them to become the best version of themselves. We provide this through bespoke and personalised education and training programmes. All of which are led by our highly trained and motivated team.

We support the young people we work with to become more resilient, self motivated and well rounded through a variety of academic interventions, specialist teaching methods and tangible qualifications.

Our holistic approach to learning and education is also mirrored in the environments we like to teach in. Our centres have been designed by our very own experienced SEN team. Spaces are open and airy, with multiple learning areas, allowing students the time and space to learn at their own pace.

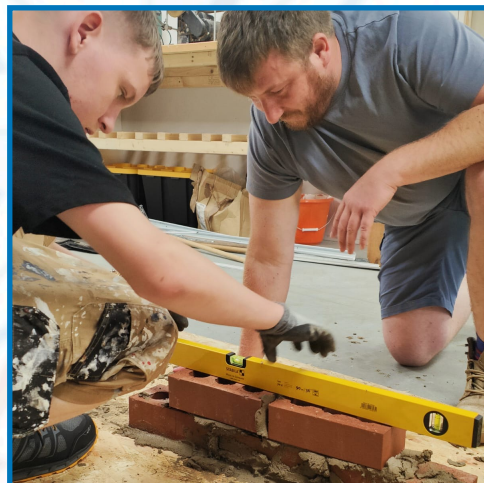

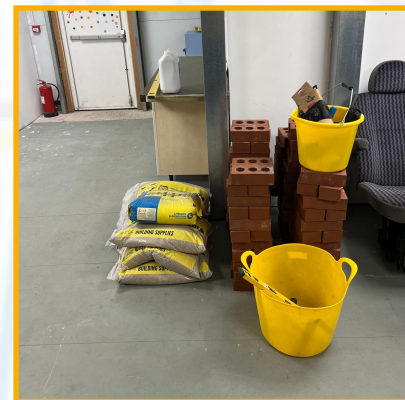

This is why our centres provide the best setting possible for us to deliver our innovative and diverse education sessions.

Sessions are designed and led by our experienced qualified teachers and support staff from SEMH specialist backgrounds, so we understand the needs of our young people.

We help our young people to become 'work-ready' after their time with us, allowing them to progress into their chosen areas of study or employment. We also collaborate with current employers to help design our courses and qualifications to give every one of our students the very best chance of success.

With many years experience within schools, PRUs, prisons and other alternative provisions, our experience in teaching and education within the SEMH/SEN sector is extremely high.

We provide what many other provisions can't and back this up with tangible qualifications, certification and experiences. This makes Discovery Education the perfect choice for those who are struggling with their education. Thanks for taking the time to read through our prospectus, we hope to work with you soon!

Managing Director - Discovery Education

# CONSTRUCTION

## BTEC

Our Construction BTEC course has been designed in partnership with local builders and company owners to give our young people the best chance of success upon completion of the course within the construction environment.

Getting our students 'work-ready' means that we offer a package that not only contains a BTEC in Construction, but other relevant vocational qualifications. The course includes:

- BTEC Level 1 Introductory in Construction
- First aid at work
- CSCS Card application
- CITB HS&E test
- We will also offer functional skills English and Maths if needed

As with all our post 16 courses, Discovery covers:

- All course entry fees
- Transport to and from the centre each day
- Food each day
- All course materials needed
- A designated 1-2-1 key worker
- Discovery will have representatives at meetings such as annual reviews, emergency reviews etc
- Weekly reports
- Termly update reports covering all achievements and course tracking

Discovery Education Centre is a fully accredited Pearson BTEC centre and our courses are designed by qualified teachers.

Prices are per student, per day and start at £305

We are in the unique position to run our construction courses from our very own workshop - The Depot.

The Depot is our amazing workshop in north Bristol. Fully kitted out and with specialist staff, students will be able to learn in a high quality environment and achieve at their own pace. We also work in conjunction with local builders and building companies, meaning we can help our students with:

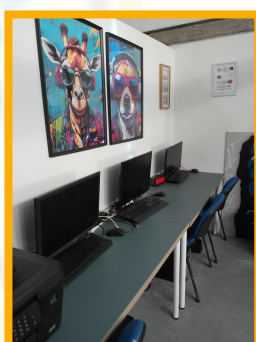

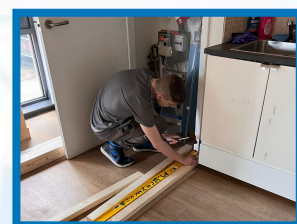

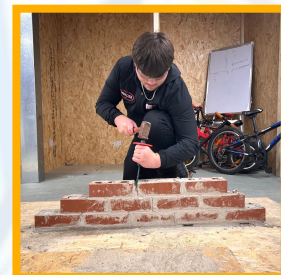

- Active building site visits
- Work experience with building companies
- Meetings with current builders and company workers
