**Transforming Homeless Social  
Services to Better Serve People  
and Communities**

**“We can’t change the homeless social service system from the outside squawking, we can only change the system from the inside by implementing a new vision.”**

**2024** was a pivotal year for Inspire Real Change, as we continued to focus on our mission and opportunities to support our community. As a Veteran founded and operated organization, we are dedicated to our research and community projects within our core mission to reduce/end homelessness. We extended our Veteran Connect Research Project through 2025, which is aligned with our Veteran Connect Community Project, which will continue based on the need for services. We are humbled to have served over sixty individuals experiencing homelessness or at-risk of homelessness in 2025.

We will continue to Drive Real Change through three core competencies: Advocacy, Education and Research. Our unfiltered/raw research data is collected directly from individuals experiencing homelessness. With this data, we will continue to advocate and educate to drive new social service solutions to reduce and end homelessness in South Carolina. As an organization, we are thankful for amazing partners who believe in and support our mission! From corporate sponsors to individual donors, you drive Real Change in South Carolina.

# VETERAN CONNECT PROJECT

Thank you to all who supported the Veteran Connect Project! As a Veteran operated and founded organization, we are focused on assisting Veterans and their families in South Carolina. We engaged **twenty-two (22) homeless Veterans, assisted four (4) into housing, and fourteen (14) into resources to support homeless recovery.** Through our outreach efforts, on-site assessments, and case navigation we are driven to reduce and end Veteran homelessness in South Carolina. Provided 80+ Comfort Kits to Homeless Veterans in South Carolina.

## Veteran Connect Project

**The Veteran Connect Project finds its Purpose in Outreach and Assisting Unsheltered Veterans into Housing**

**2024**

**The Veteran Connect Project moves forward into 2025, as the need persists to engage Veterans who are unsheltered or at-risk of homelessness. This is especially true in rural areas of South Carolina, which have limited access to information and/or resources. Inspire Real Change is committed to filling the gap and driving Real Change to reduce and end Veteran homelessness in South Carolina.**

Thank You to Allegiance Flag Supply and Disabled Veterans National Foundation (DVNF) for their support of the Veteran Connect Project..

# RESEARCH PROJECT

# VETERAN CONNECT RESEARCH PROJECT

**Inspire Real Change launched its third research project in January 2024. The Veteran Connect Research Project is connected with our community project, assisting Veterans who are homeless or at-risk of homelessness.**

The Veteran Community Research Project finds its purpose in collecting and developing collaboration data to support homeless veteran recovery. The research project utilizes a basic research multi-method approach which includes correlative, qualitative, and quantitative analysis.

The homeless Veteran social service support system will be analyzed to identify key processes, service recommendations, and best-practices.

Outcomes will seek the development of community network innovations and systems that expedite high-quality social services.

**After working with twelve (12) Veteran participants in 2024 and analyzing an extensive network of resources, we will extend the VCRP into 2025. This will allow additional opportunities to analyze services, network connections, and service delivery processes. This two-year research project will conclude on 31 Dec 2025 with a full report and focus on key factors that enhance community collaboration and service delivery for homeless Veteran Recovery.**

## 2024

**The Inspire Real Change Racing Initiative is Dedicated to Driving Real Change in Homeless Social Service Advancement. We Connect Our Mission With Our Race Communities, In Order to Drive Awareness to Reduce and End Homelessness.**

We were honored to have hosted a group to both NASCAR events at Darlington Raceway in 2024. Through these events, we are about to connect and build relationships within our racing community. Through these relationships, we educate and advocate for Real Change to reduce and end homelessness in South Carolina. A BIG Thank you to Darlington Raceway for supporting our efforts in 2025!
