

# “Bee Grateful” on Weathered Wood

Weathered Wood design by Tracy Moreau

Taught with permission by Karen Damrow

## **Paint** – DecoArt Americana Acrylics

Asphaltum                      Saffron  
Bahama Blue                  Summer Squash  
Lamp Black                      Warm White  
Raw Sienna

## **Supplies** – In addition to your regular

Painting supplies, please bring:  
Painter’s Tape, a ruler & chalk pencil

## **Surface** – Wood surface approximately

7 ¾” x 7 ¾” – I purchased mine from  
Hobby Lobby

## **Brushes**

Large Flat with semi-stiff bristles  
Script Liner – 10/0 or 20/0  
#2 Rigger – a 2 or 4 flat or round will do  
Your favorite shaders  
Stencil Brush

## **Prep**

Sand & seal the surface. When dry, base coat the entire surface with Lamp Black.

That’s it! Please Do Not transfer the pattern!!

This is a fun technique! A big Thank you goes out to Tracy Moreau for giving me permission to teach her technique! This project will take a full day of painting, so please plan to stay until 3:00 or so.
