

Join the LDSP Leader CORPS Program

- ★ This program is an excellent opportunity for kids ages 12 to 15 to develop their skills in an aquatic setting!
- ★ Volunteers will be mentored by the LDSP staff and develop an understanding for swimming pool operations, guarding techniques, and teaching methods!
- ★ This experience will provide volunteers with swimming pool work experience and references for future resumes and applications!

We are able to offer 3 time slots each week day:

- Lesson Volunteer #1 (9am-12pm)
- Lesson Volunteer #2 (9am-12pm)
- Guard Shadowing (1pm-4pm)

* The program will officially start during the second week of summer (July 8th)!
