

TWENTIETH CENTURY CLUB – FEBRUARY 2018

Editors: Jane Chapman/Cynthia Harris

Issue No. 96

From the President

Our January program was wonderful – Marilyn Newton shared her experiences photographing Reno over more than fifty years. Marilyn’s career with the RGJ was indeed impressive. The pictures certainly brought back lots of memories of what I was doing and where I was when some of those events happened. It was a great program.

Thank you, again, to everyone who made our December Christmas program special. I have handouts from the *Institute for Young Dramatic Voices*. Please let me know if you want copies.

Included with the **Newsletter** this month is a letter from me to the membership regarding our relationship with Community Foundation of Western Nevada. The Directors thought it was a good time to review that relationship and the reasons TCC entered into it. Please take a moment to review the letter and I am happy to talk with any of you about it. Additionally, CFWN will make a presentation to TCC Executive Board at the March meeting; this will give the Board members the opportunity to ask questions of CFWN.

A very special Thank You to Vicki Scott for donating a copy of the TCC 1964 Cook Book. The book is in excellent condition and we will ensure there is an archived copy.

I am sorry to report that our former member and Chair of the Philanthropic Committee, Judy Thompson, passed away on January 3. Also, please keep a good thought for our friend and member Mollie Blicharz who was recently hospitalized.

Congratulations!

Philanthropy

“The new year stands before us, like a chapter in a book, waiting to be written. We can help write that story by remembering those less fortunate than us and giving generously from our hearts.”

- **Melody Beattie**

To our dear members, we are at the beginning of a new year and the Philanthropic Committee would like to thank you for your previous generosity in 2017. As generous as you have been in the past, needs still exist for many families. Our chosen charity for February is **Step 2**, a comprehensive residential and out-patient treatment program that provides women who are struggling to overcome substance abuse disorders, poverty, and family violence the opportunity to rebuild their lives. It is the only program in Northern Nevada that stresses the importance of family by allowing women to maintain custody of their children while participating in treatment. We hope that you will give from your heart so these families can be successful on their journey to healthy lives.

The Philanthropic Committee wishes each of our members a truly wondrous 2018.

In appreciation for all you do – thank you!

MAH JONG

We heard that there are some members who are interested in learning Mah Jong, so we are going to institute a beginners’ table starting on March 12th. Play is from 10:30 at Lakeridge Tennis Club. We order lunch from the menu and then continue play until around 3:30. Please call either Edie Ferguson, 757-0974, or Linda Felices, 750-0632 to indicate your interest.
