

We are the future of your sleep.

TummyTime Mattress is a Patent Pending mattress that allows you to sleep in a prone position, while placing your head on a Scoopface™ (face pillow) in a neutral position, without obstructing your airway.

- **Scoopface™:** A specially designed face pillow for stomach sleepers that maintains a neutral head position and prevents airway obstruction.
- **Eco-Friendly Materials:** Sustainable and non-toxic materials for a healthier sleep environment.
- **Innovative Design:** Advanced support technology to ensure alignment and comfort.

The mattress employs several different Scoopfaces™ which include (but are not limited to): standard, heating and cooling sensation, vibration sensation, and sleep tracker.
