GREETINGS FROM THE FOUNDER

I am enriched daily by the honorable nature of our work, the passion of our team members and the tenacity of the women and girls we serve. The collective spirit by which we engage one another helps us to improve lives throughout the Jacksonville community.

In caring for our most vulnerable population, we are regularly met with challenges. The challenges however will not stop us. We are determined to see women leading in their communities, our children thriving in schools, and families building stronger home foundations for generations to come.

This report highlights our accomplishments over the past year. Since our inception in 2020 we have served more than 1200 women and children; yet, there is still much work to be done! I am grateful to be a part of this journey for years to come!

With gratitude,

Danita Matthews

Vision

Women & Family Enrichment Services, serves as a catalyst to help vulnerable women and children in northeast Florida access the resources and opportunities needed to enhance their quality of life.

Mission

To see generations of Healthy, Hopeful, Empowered girls, women and families leading in our community.
