Welcome to the Alliston Foot & Orthotic Clinic! Chiropody Services in Ontario are not covered by OHIP, but are covered by most Third Party Insurance, Extended Health Care Plans & Veterans' Affairs, and/or can be used for income tax health deduction purposes. Chiropodists and Podiatrists are the ONLY recognized Foot Specialists in Ontario.

Not all fees are displayed but would be discussed on an individual basis as needed. The fee guide is based on the Ontario Society of Chiropodists and the Canadian Federation of Foot Specialists and is determined by:

- the time requirement to perform the service
- the level of skill required to perform the service
- the cost associated to perform the service
- the education level and training required to perform the service
- the level of risk associated with performing the service
