

Custom Sugar Cookies & Cakepops

Custom Sugar cookie pricing includes cost of baking ingredients, royal icing, gel food coloring, edible decorative accents, labor to make dough, roll dough, cut dough, decorate cookies, and labor for packaging. Commitment to use all natural ingredients in delivering delicious cookies and beautiful designs.

Ingredients: Make all efforts to purchase made in the USA and use plant-based food dyes, jimmies, sprinkles, sanding sugars, fondant, and other decorations **whenever possible** to avoid FD&C approved synthetic colorants. **See my blog on "What did I just eat?"**.

Cookie ingredients and flavors:

❖ Dough base - flour, sugar, baking powder, salt, egg, flavoring as requested below.

Cookie Flavors options:

❖ Very Vanilla, Lemon, Cinnamon, Orange, Apple Pie Spice, Pumpkin Pie Spice, Gingerbread Spice, Strawberry, Chocolate and others.

Royal Icing: Ann Clark Premium Meringue Powder - caster sugar, egg white powder, vanilla powder, Cream of Tartar, Cornstarch, salt.

Cakepop Flavors options:

❖ Very Vanilla is the best flavor for CakePops. Cookie flavor can be used as well.

❖ Choice of Chocolate Wafer color theme.

- Use real chocolate and paramount crystals

Toppers: Gluten, Dairy, nut free, Certified Vegan & Kosher

- Jimmies
- Sanding Sugar
- Homemade Marshmallow Fondant
- Royal Icing Transfers
- Sugar Cookies
- Other edible decorations

❖ **Packaging:** Each cookie and Cakepop is individually sealed in cellophane cookie bag with ingredient tag.
