

*President's Message April, 2026*

**March 24, 2026**

**To our FRIENDS from Gary Mazaroff...**

**Due to circumstances unforeseen, we must reschedule the upcoming Meadow City IRT Pro-Am. The original dates of May 28-31 will not be a reality! However, we shall move them to dates later in the year. IRT Commissioner David Negrete has confirmed our new dates: 19-22 November. Check the following sites for information and registration: IRT, NM Racquetball, and R2sports.**

**Two major events have forced the change. First, the iconic Plaza (host hotel) was recently sold by Allan Affeldt. An avid racquetball player, historian, and hotelier, Allan will now concentrate his business and philanthropic efforts in his hometowns of Sedona and Winslow, Arizona. As a result, we are waiting to restructure our agreement with the new ownership. Second, Montoya Recreation Center (main venue) is currently experiencing administrative changes. Concerns that had been addressed will wait until the new administration is in place. Look forward to having Las Vegas, New Mexico; the *Original Meadow City*, be on the *World Stage* for this Tier 1 event.**

**We thank all of you for your understanding. In the meantime, please support the upcoming New Mexico Racquetball events:**
